Could *hot cocoa* be the next "wonder drug" for high blood pressure?

Harvard researchers praise stunningly simple discovery!

According to recent estimates, nearly 1-in-3 American adults has high blood pressure. But for the Kuna Indians living on a group of islands off the Caribbean coast of Panama, hypertension doesn't even exist. In fact, after age 60, the average blood pressure for Kuna Indian islanders is a *perfect* 110/70.

Is it because they eat less salt? No. Kuna Indians eat as much, if not *more* salt, than people in the U.S. Is it due to their genes? No. Kuna Indians who move away from the islands are just as likely to suffer from high blood pressure as anyone else! So what makes these folks practically "immune" to hypertension—and lets them enjoy much lower death rates from heart attacks, strokes, diabetes, and cancer?

Harvard researchers were stunned to discover it's because they drink about 5 cups of cocoa each day. That's right, *cocoa*! Studies show the *flavonols* in cocoa stimulate your body's production of *nitric oxide*—boosting blood flow to your heart, brain, and other organs. In fact, one study found **cocoa thins your blood just as well as low-dose aspirin!**

But that's not all. A Harvard Medical School

COVID-19: Lucifer's attempt to re-structure Mankind from being created in the image of God into his image

Genesis 1:26-28, "And God said, **Let us make man in our image, after our likeness:** and let them have dominion ... over all the earth ... **So God created man in his own image, in the image of God created he him; male and female created he them.**"

Lucifer was the most beautiful angel created by God but he **rebelled against God** and always wants to **counterfeit** the things of God. Because Lucifer coveted the Throne of God and wanted to BE God, he was cast down to earth, not hell, as a result of his actions. Lucifer took with him roughly one-third of the angels of Heaven because they followed Lucifer in his rebellion.

Lucifer was given the title of Satan, which means "**the adversary**" in Hebrew. Satan is a title. Lucifer is the entity. Lucifer's pride got the better of him. He wanted to enthrone himself on Mount Saphon, the Mountain of the North, also called Mount of Assembly or Mount of God, and thereby be God's equal.

Illuminati Satanism is the worship of the Devil and his supposed apprentice the Antichrist, and is the siding with them rather than God. Many Illuminists refer to Satan as "**Lord Lucifer**" who battles God for the souls of men. Illuminati Satanism believes that the Antichrist

POWERFUL YEAR-END GIVING OPPORTUNITIES

December 2020

Beloved Fellow Heir in Christ Jesus,

DECEMBER ALREADY! Christmas is almost here and it is absolutely amazing how fast this year has slipped by!

Recently, God has been leading me to be more and more thankful for the time He has given us, and for the family and friends He has called to work alongside us. Ephesians 2:10 states that we are God’s workmanship, *His poem - His work of art*, created in Christ Jesus for GOOD WORKS that He has before prepared that WE should fulfill. Friend, God is doing *amazing* good works through us! I thank our Creator every day for YOU and your faithfulness. We look forward to many things God has shown us in 2020 and has prepared to fulfill through us in 2021.

With the governments of many nations around the world imposing a lockdown upon their people, this has created even greater suffering than normal. People living in third-world countries generally have a difficult time making it through life. The shutdown has made it even more difficult. Where there were few jobs before, in 2020 there have been NONE. *No jobs = no pay = no money = no food.*

This is why God is using *Today, the Bible & You* as an instrument in providing food to those in several regions of India – Myanmar/Burma – South America – Uganda, Africa - Russia, and even right here in our beloved America. God has provided many 50 pound sacks of rice, beans, corn, and other commodities to help during this terrible crisis. In America, we have been so blessed that most of the country has not been completely shut down and many have been able to continue working. Most foreign countries do not have the benefit of the many food programs available to Americans.

The incredible pandemic year of 2020 has revealed so many things to us. According to Billboard.com on 11/12/20, **TICKETMASTER Plans to Verify COVID Vaccination Status of Fans Before Issuing Concert Passes.** Yet another mind-conditioning preparing us for things to come. Truly a sign of the times ... and this is just the beginning.

2 Timothy 3:13, *“But evil men and seducers shall wax worse and worse, deceiving, and being deceived.”*

These evil people and seducers — *deceivers* — will only get worse. Opposition to the teaching of our Lord Jesus has reached such a hateful pitch that, with the approval or even the applause of thousands, the most brilliant writer in Europe wrote of the Lord Jesus Christ and His religion in these words, *“Ecrasez l’infame!”* (meaning *crush the loathsome thing*, referring to the Roman Catholic religion). We continue to witness this kind of hatred grow each day as attempts are continually made to diminish the message of God’s Scriptures.

THE GOOD NEWS:

GOD LOVES YOU! The Bible says, *“God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish, but shall have eternal life”*

1. The problem is ... All of us have done, said or thought things that are wrong. This is called sin, and our sins have separated us from God. The Bible says *“All have sinned and fall short of the glory of God.”* God is perfect and holy, and our sins separate us from God forever. The Bible says *“The wages of sin is death...”* (Romans 6:23)

2. The good news is ... about 2,000 years ago, God sent His only Son Jesus Christ to die as payment for our sins. Jesus rose from the dead and now lives in heaven with God His Father. He offers us the gift of eternal life -- of living forever with Him in heaven if we accept Him as our Lord and Savior. Jesus said *“I am the way, the truth, and the life. No one comes to the Father except by Me.”* (John 14:6)

3. If you want to ask Christ to forgive your sins and be your Savior, and know for sure that you will go to Heaven, you can pray this prayer right now.

“Lord Jesus, I believe you are the Son of God. Thank you for dying on the cross for my sins. Please forgive my sins and give me the gift of eternal life. I ask you into my life and heart to be my Lord and Savior. Help me to TRUST you and make you Lord of my life! Show me how to follow You each and every day. In Jesus name I pray, Amen.”

If you prayed this prayer, the Bible (God’s Word), tells us that when you pass away or when Jesus returns again, you will be saved and spend eternity with Jesus Christ! If you prayed this prayer today, call and let us know.

Pastor’s Letter

We live in a sinful, self-centered world that doesn’t know God as Father. Because we are all born with a sin nature, people are trapped in a mindset that says: *Get all you can and keep it for yourself.* But as Christians, we are set free to “*do good, to be rich in good works, to be generous and ready to share.*” (1 Tim. 6:17-18)

Our Lord Jesus exhorts us to continue to work until He comes and He is providing us with abundant opportunities to provide for those in dire need around the world.

James 1:27, “*Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.*”

Check out pages 10-14. We reveal some of the many widows and deserted families in our mission pages. It appears as if fathers are abandoning the families as never before. Yet, God’s Word prospers the most when his people are under persecution or in dire circumstances.

God is faithful and fulfills ALL of His promises. After being in the ministry now for over 40 years, God's grace, love, and provision have never wavered. And as the world becomes darker, His light becomes ever brighter.

God has created us for such a time as this, and equipped us by his Spirit to complete the tasks set before us. Here are some great things God is doing through *Today, the Bible & You.* Let's work together.

PERU: In Peru, the lockdown has been very strict for the past eight months. No one can fly on any commercial flight, international or local. Schools and churches are in total lockdown. People have been in total shock and fear. They constantly see their neighbors carried away as death makes its call. As we look back to the first time we were called to the Peruvian Upper Amazon Valley almost 20 years ago, we are astounded to see what God has been pleased to accomplish in such a short time. Tens of thousands have been touched with the Lord of our Lord Jesus.

1. Voice of the Rose of Sharon: This strategic Christian missionary radio station has totally transformed this region in the heart of the Amazon River valley. The area around Yurimaguas is traveled by boats on rivers and has hardly any highways, but the sound of Radio Rosa de Saron (Rose of Sharon Radio) is able to reach everyone. Tens of thousands of people have been so blessed with the beautiful Christian music, children's programs, and Bible lessons that uplift the burdens of the people, and has resulted in several new congregations being established in many villages. Your gifts have provided Bibles, children's literature, reading lessons and so much more.

2. TV/Radio Ministry in San Martin Province with half a million people: This work opened a huge door in the Peruvian province of San Martin at the southern edge of the Amazon Valley. The Lord led us to begin working with a local church where a huge outreach has been established. We also support a Christian grammar school and high school with over 700 students.

We have traveled to many different provinces to establish and strengthen **newly created congregations and now there are over 200 churches** in the northern provinces of Peru.

One huge need is the Bible and ministry training of thousands of pastors in Peru and other Latin American countries. Many of the pastors of the rural churches, just read the Bible and explain what they know. We have been asked to establish a Bible Institute to train these pastors. We have had a **Bible Institute/Bible College and Seminary** before and are able to do this, but we need funds to accomplish this. When this is of God, God Himself will touch the hearts of many people to have a part in this.

3. Picota Region: We have worked in this region from the very beginning with Pastor Wildoro Mendoza and our second mission radio station is here. Several translator stations boost the signal throughout the region. The local congregation in Picota is very active and has many different conferences for children and adults. With the lockdown, radio stations have been absolutely essential because churches throughout Peru have been closed. In fact, many people who previously were not going to church have been listening on the radio. There has been an increase in requests for Bibles, Bible literature and studies, and Bible teaching CDs to help the people grow in their newfound faith in Christ.

4. Cable TV station. One local cable TV station owner was so impacted with the work God is doing on the radio, that he offered us a cable TV channel to broadcast Christian programming for free! I was asked to produce Bible teaching programs to be broadcast on this station which airs programs 24/7. This station has had a tremendous impact on the community. Some of the municipal leaders of Picota have committed their lives to Christ after watching the broadcasts. We receive a great number of requests for spiritual help and answers to questions. This channel began by airing children's programs. Parents began watching with their children, and they heard the Bible stories. The parents then requested lessons for themselves and consequently, local congregations have been established in several communities. We are so grateful to God for His love in this part of the Amazon Valley of Peru, a region with several million people.

RUSSIA: **Russia’s hope amid religious restrictions** — For more than seventy years, the USSR outlawed and burned all religious books/literature and Bibles. Those who dared and caught were imprisoned. For this reason, Bibles and literature continues to be scarce. God is using *Today the Bible & You* to bring the glorious message of God’s grace through media and the internet daily. We are also developing easy to understand Bible literature to distribute. Your support also makes it possible for our Russian mission director, Alexey to share the love of Christ and provide help for disabled people and single moms who are really struggling to make ends meet.

MYANMAR (BURMA): This is one of the poorest countries in the world and is in great need of food. Because of you, we have been able to provide hundreds of sacks of rice to help. People need to eat every day. One meal does not last a week or a month. We hope to be able to provide many more bags of rice with your help.

We are sponsoring TWO ORPHANAGES in Rangoon with more than 70 orphans in one orphanage and about 25 in another. At the end of each year, they need to purchase school uniforms and books for the coming year. After more than 20 years of working with these orphans in Burma, more than 50% have graduated with a university degree. One is now in medical school in China. Many have become nurses and others have gone into full-time Christian ministry. It is so wonderful to know that you and I have been used by God to make a huge difference in so many lives around the world. One of the leaders said to me recently, “*Pu John, you are actually the David Livingstone of our people.*” Wow! What a blessing. When our Lord Jesus first directed my steps to Burma more than 20 years ago, only about 5 Burmese students were living in Tulsa, Oklahoma. Today, there are over 7,000 living here. Most of them have arrived here on political asylum visas because of the great persecution in that country.

NAGALAND, INDIA: The **Rose of Sharon Christian Schools in NE India**, run by Rejoice and Jenny Kamei, began with only a handful of students and now has grown to over 700 students. The last couple of months, we also have provided these children and their parents with food (rice, beans, etc.) and hope to be able to continue this in 2021.

UGANDA, AFRICA: The average monthly household income is \$179 or

Pope Francis Declares Homosexuals ‘Have a Right to a Family’: Becomes First ‘Pope’ to Support Same-Sex

■(ROME, ChristianNewsNetwork) - Roman Catholic leader Jorge Bergoglio, also known as “Pope Francis,” says that he believes homosexuals have a “right to a family” and that he supports civil unions as a legal covering. “Homosexual people have a right to be in a family. They are children of God and have a right to a family,” he states in the movie “Francesco” by Evgeny Afineevsky, which premiered at the Rome Film Festival. “Nobody should be thrown out or be made miserable over it. What we have to create is a civil union law. That way they are legally covered. I stood up for that.”

Pfizer says early data signals COVID-19 vaccine is effective

■(AP, 11/09/2020) -- Pfizer says an early peek at its vaccine data suggests the shots may be 90% effective at preventing COVID-19, indicating the company is on track later this month to file an emergency use application with U.S. regulators. This announcement doesn’t mean a vaccine is imminent: This interim analysis, from an independent data monitoring board, looked at 94 infections recorded so far in a study that has enrolled nearly 44,000 people in the U.S. and five other countries.

“We’re in a position potentially to be able to offer some hope,” Dr. Bill Gruber, Pfizer’s senior vice president of clinical development, told *The Associated Press*. “We’re very encouraged.”

The shots made by Pfizer and its German partner BioNTech are among 10

possible vaccine candidates in late-stage testing around the world — four of them so far in huge studies in the U.S. Another U.S. company, Moderna Inc., also has said it hopes to be able to file an application with the Food and Drug Administration later this month.

Guatemala's President Prohibits Planned Parenthood from Operating in the Country

■(ChristianHeadlines.com, 11/09/2020) - The President of Guatemala issued a statement after Guatemala’s Interior Ministry rescinded a previous agreement that would have allowed Planned Parenthood to operate in the country.

“I recognize life from its conception, and therefore, in my government, I will not tolerate any movement that violates what is provided in our political Constitution of the Republic, that goes against the values with which I was raised and that conflicts with my principles as [a] doctor,” Guatemalan President Dr. Alejandro Giammattei said in a statement.

“I am a faithful defender of life and I am empathetic in stating that I will not endorse in my government the creation, registration, or start-up of any organization that goes against life.”

Following the president’s statement, Interior Minister Oliverio García Rodas resigned from his position. Rodas was the one who initially approved the agreement between Guatemala and Planned Parenthood.

Trump Pardons Non-Violent Offender Serving Life in Prison

■(ChristianHeadlines, 10/26/2020) - President Trump pardoned an Indiana man who was serving life in prison for a non-violent crime, Faithwire reports.

President Trump pardoned Charles Duke Tanner because his life imprisonment sentence was a non-violent, first offense drug charge.

Tanner was imprisoned under Democratic Presidential nominee Joe Biden’s 1994 crime bill which landed millions of Black Americans in the prison system.

In a video uploaded to Twitter, Tanner thanked President Trump and credited God with his pardon.

“First and foremost, I wanna give all the praise and glory to God,” he said in the video. “Thank you for hearing me. But President Trump, I just want to thank you for giving me a second chance and believing in me and reading my petition. I’m just so thankful.”

In the video, the former prisoner says that the pardon allowed him to be reunited with his son, whom he was forced to leave when he was just two years old because of his prison sentence. He also expressed gratitude at the ability to see his parents again.

According to Tanner, President Trump read his letter asking for a pardon and then pardoned him. He repeatedly thanked the Trump Administration, President Trump, and God in his statement.

Pro-life women nearly double in the House as GOP chips away at Democrat majority

■(ChristianPost, 11/09/2020) -- As the definitive results of the 2020 presidential election remain uncertain, the number of pro-life women in the U.S. House of Representatives will likely double when the new Congress is sworn in next year.

The 117th Congress, set to begin on Jan. 3, will have at least 24 pro-life Republican women in the House of Representatives, a nearly twofold increase from the 13 Republican women who served in the 116th Congress.

Pro-life Republican women lead in a handful of other districts that have yet to be called. According to *The Almanac of American Politics*, the 112th Congress, which met from 2011-2013, had the highest number of Republican women on record: 24.

Eleven of the 13 pro-life Republican women who served in the House over

the past two years sought re-election and all of them successfully beat their Democratic challengers.

Also, at least 13 additional pro-life women will be joining the House as freshmen members in 2021.

Susan B. Anthony List, a leading grassroots pro-life activist organization that spent more than \$52 million in its efforts to elect pro-life candidates in 2020, described the addition of the several pro-life women to the House as an “enormous advancement” of its mission and “a resounding victory for pro-life women everywhere.”

Socialism By Any Other Name—Is STILL Socialism

■(ACLJ.org, 11/05/2020) -- Winston Churchill described socialism as taking care of the “submerged tenth” by bringing the other nine-tenths down to their level. The logical end of socialism is the elimination of upward mobility. It robs people of the dream of bettering themselves and building a better life for their families. The end result of socialism has ever been economic stagnation, shared misery, and government control.

Socialism, by any other name, is still—well—socialism. Margaret Thatcher described it this way: *“Socialism ends when the one paying the bill runs out of money.”*

QUESTION: What is the significance of Megiddo? Is this where some future battle is to take place?

ANSWER: The Bible term Armageddon is found in Revelation 16:16 and refers to a battle in the latter days. It is a battle where God finally intervenes and takes over the world and rules it the way it should have been ruled all along. After Armageddon comes 1,000 years of peace and plenty. Here, as described in Joel 3:2, 9-14, the armies of Antichrist are assembled at the enormous battlefield that even Napoleon suggested would make a tremendous battlefield. It is located in the Armageddon Esdraelon-Jezreel-Jordan valley plain. This particular area has been the scene of many decisive battles throughout the history of Israel. I, along with millions of tourists, have stood on Mt. Megiddo that commands the Jezreel Valley and the Plain of Esdraelon. The name Armageddon is Hebrew for : “Mount Megiddo,” and represents this entire strategic valley area in northern Israel.

All nations of the world will gather together in this valley for the final battle between God and the forces of evil which will be fought just prior to the Second Coming of Jesus Christ and the Antichrist and his followers will be overthrown and defeated. (Rev. 16:12; 19:19).

QUESTION: As we approach so much closer to the time of Christ’s return, is there any indication from Bible teachers as to who they think the Antichrist may be?

ANSWER: One of the great mysteries concerning Bible prophecy and the end times is the national identity of the Antichrist.

This is an important topic because it will eventually aid the last days generation of Christians in the correct identification of the Antichrist.

Fortunately, the Bible provides us with several details regarding the nationalistic origins of this sinister personality.

His Roman Nationality

Although much debate surrounds his national identity, the Book of Daniel clearly states that the Antichrist will come from among the people whose armies destroy the Temple.

*"And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of **the prince that shall come shall destroy the city and the sanctuary**; and the end thereof shall be with a flood, and unto the end of the war desolations are determined."*
— Daniel 9:26

The City and the Temple referenced in this passage were destroyed in A.D. 70 by Titus and the Roman legions, but Titus was not the ruler referenced in this verse.

Daniel 9:27 describes the ruler as one who will make a seven-year treaty with Israel, put an end to the sacrifices and offerings, and set up a sacrilegious object that causes desecration.

These are events that will be fulfilled in the life of the Antichrist. According to Daniel, the Antichrist will come from among the people who destroyed the Temple. Therefore, we can be certain that the Antichrist will come from among the Roman people.

However, coming from among the Roman people does not automatically mean that the Antichrist will be of Italian heritage or Roman ethnicity.

It simply means he must come from among those people who were part of the Roman Empire at that time. From an ethnic standpoint, this leaves the door open to countless possibilities. The Roman Empire covered most of the known world in its day, and Roman citizenship was extended to many non-Italian peoples.

So how do we interpret this passage?

Most likely, Daniel 9:26 is a reference to the power base from which the Antichrist will operate.

The Book of Daniel clearly states that the final world empire before the establishment of Christ's Millennial Kingdom will be a

resurrected form of the Roman Empire. In all likelihood, the Antichrist will be the ruler of this revived Roman Empire which will "devour the whole earth," and in this way, Christians will be able to identify him as the Antichrist.

Is the Antichrist Syrian?

Daniel Chapter 8 provides us with further clues in regard to the life and times of the Antichrist. In it, the angel Gabriel explains Daniel's vision of a Ram and Goat as events relating to the Greek Empire of Alexander the Great. In a claim verified by history, Gabriel states that following the death of Alexander, the empire will be divided into four parts. From one of those four parts, the Antichrist will arise:

"And the rough goat is the king of Grecia: and the great horn that is between his eyes is the first king. Now that being broken, whereas four stood up for it, four kingdoms shall stand up out of the nation, but not in his power. And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up. And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and the holy people.." Daniel 8:21-24

Daniel Chapter 11 provides an in-depth examination of the history of the breakup Alexander's empire, describing historical events relating to the King of the North and the King of the South.

The latter part of the chapter describes the Antichrist, identifying him with other historical figures who have held the title "King of the North." This, along with the passage cited above, clearly links the Antichrist to the Northern Kingdom of the divided Greek Empire. This kingdom was ruled by one of Alexander's generals, Seleucus, who ruled the areas of Syria, Mesopotamia, and Persia.

Therefore, it is reasonable to assume that the Antichrist will in some way be linked to this geographic area of the Middle East.

Isaiah Chapter 10

In addition to Daniel 8, the prophet Isaiah also offers some interesting insight concerning a "king of Assyria":

"Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words. But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to

Bible prophecy fulfilled: Discovery of 'Jerusalem's Third Temple' sparks apocalypse fears

[www.express.co.uk]

BIBLE scholars have made claims that could suggest a major archaeological breakthrough in Temple Mount could be evidence that the world has reached the End Times.

In September 2020, there was a large hole uncovered in the Temple Mount, a site which has been venerated as a holy site in Judaism, Christianity and Islam, and is widely considered one of the most holy areas in the world. The pit was uncovered after a floor tile collapsed on it, leading many experts to say it could reveal bombshell finds from "thousands of years of Jewish history". But to many, the discovery could show that the end of the world is near as some think it could be evidence of the "Third Temple of Jerusalem".

Biblical conspiracy theorists say that the building of a Third Holy Temple in Jerusalem will bring about the end of the world, appearing just before Jesus Christ returns.

Two Holy Temples were first constructed on the Temple Mount site centuries ago, they claim, but were destroyed by the Babylonians and the Romans.

And any evidence of a third temple on the site could see an apocalypse, Christian pastor and doomsday preacher Paul Begley has previously claimed.

He made the claims in 2018 after the Jewish assembly called on mayoral candidates Ofer Berkovich and Moshe Lion to rebuild a temple on the site.

This, Mr. Begley said, showed evidence that any decision on the building or find of a Third Temple, would bring about the end of the world.

He said: "The rabbis of the Sanhedrin court are calling both mayor candidates to include in their plans for this city the rebuilding of the third temple.

"Folks, this is as close to Biblical prophecy – I don't know what else to say. That's how close it's getting and if you're a Christian, you're saying: 'Wow, the Messiah is coming'. There's no doubt about it. Jesus of Nazareth, the Savior of the world, is going to return."

Irvin Baxter, of the EndTime Ministries, also

In early September a large hole was uncovered in the Temple Mount, a site which has been venerated as a holy site in Judaism, Christianity and Islam, and is widely considered one of the most holy areas in the world. The pit was uncovered after a floor tile collapsed on it, leading many experts to say it could reveal bombshell finds from "thousands of years of Jewish history". insisted that the third Holy Temple would be rebuilt in the last seven years of the world's existence.

Rick Brinegar and Dave Robbins, of the same organization, added: "The Bible prophesies, in many places, that a Third Temple will be built in the near future.

"In Matthew 24:1-2, Jesus tells His disciples that the Second Temple would be utterly destroyed.

"From Matthew 24:3 throughout the rest of the chapter, Jesus sat on the Mount of Olives overlooking the Second Temple, while He prophesied of events that would occur near the time of His Second Coming."

The recent pit discovery may shine light on the conspiracy theorists' beliefs over the Third Temple, but currently a row is ongoing over the preservation of the find.

The Israel Antiquities Authority is being urged to investigate the contents of the pit, and why it

opened so suddenly.

Fears were laid bare by Assaf Fried, a spokesman for the Temple's headquarters premier organization, who was concerned that those investigating it may "pour rough and destructive concrete" down the whole as opposed to exploring it.

He added: "The Temple Mount is the microcosm of the world of antiquities. Every square foot on the Temple Mount bears first-rate national importance.

"The finds on the mountain reflect 3,000 years of Jewish activity in the place, and every pit dug in the place can shed light on thousands of years of Jewish history.

"Whether it is a cistern from the days of Herod, or an opening of a cave from the days of King Solomon, the escape caves he built at the bottom of the mountain, among other things to hide the Ark of the Covenant during a hostile attack." ■

will come to Earth and unite it in world government.

Here is what happened in Lucifer’s heart, according to Isaiah 14:12-15:

" How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit."

The hatred of God we are seeing in America today is PERFECTLY natural. It is the fruit of the flesh. Moreover, it is written again:

Romans 1:20-31, *“For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, [they exchanged the God of Heaven with Humanism - humans are their own god] and four-footed beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves: **Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.** [Most of America, Democratic leadership and many major religious denominations have exchanged the truth of God for the devil’s lie] **For this cause God gave them up** unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, **God gave them over to a reprobate mind, to do those things which are not convenient;** Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, **haters of God, despiteful, proud, boasters, inventors of evil***

things, disobedient to parents, without understanding, covenant-breakers, without natural affection, implacable, unmerciful.”

My friend, this is a very clear picture of the hatred, evil, and violence we see in our society and from ungodly politicians. The coming 7-Year Great Tribulation Period will be the time when Antichrist will require everyone in the world to receive his mark. *How could this come about?* By means of the vaccine that is being promoted today. Proof of this vaccine will be required for everyone in order for them to buy, sell, work, and continue life on this earth.

Just how bad will the Tribulation be? It is written in **Matthew 24:21-22**, *“For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.”*

Isaiah 51:4-6, *“Hearken unto me, my people; and give ear unto me, O my nation: for a law shall proceed from me, and I will make my judgment to rest for a light of the people. My righteousness is near; my salvation is gone forth, and **mine arms shall judge the people;** the isles shall wait upon me, and on mine arm shall they trust. Lift up your eyes to the heavens, and look upon the earth beneath: **for the heavens shall vanish away like smoke, and the earth shall wax old like a garment, and they that dwell therein shall die in like manner: but my salvation shall be for ever, and my righteousness shall not be abolished.”***

When the Tribulation begins, all born-again believers will have already been taken in the Rapture. The Tribulation is the last 7 years before our Lord Jesus returns to rule Earth. During this period Antichrist will rule. I believe this time is right around the corner. *How severe will these judgments be?* The Bible says that the number of deaths during the Great Tribulation will be in the 4 Billion neighborhood – about one half of the world’s population.

Number of Deaths per Judgment: The estimated world population in 2019 was **7.67 Billion**. We will list each judgment and show how many the Bible tells us will die from each judgment.

Seal Judgments

1. Antichrist appears (Revelation 6:5-6) 0 deaths
2. Worldwide war (Revelation 6:1-2): deaths unknown
3. Economic collapse (Revelation 6:3-4): deaths
4. Death (famine, disease, crime, animal attacks – Revelation 6:57-8): ¼ of the world’s population = **1.917, 500 Billion** deaths.
5. Martyrs cry out - usually interpreted as Antichrist killing

Christians who are saved during Tribulation under the ministry of the 144,00 and Moses and Elijah (Revelation 6:9-11): deaths unknown.

6. Earthquake which moves mountains and islands, multiple meteor strike (Revelation 6:12-14) deaths unknown.
7. Silence in heaven (Revelation 8:1-5): 0 deaths.

Trumpets Judgments

1. 1/3 of earth, trees, and plants burned. (Revelation 8:7): unknown
2. Asteroid impact in ocean kills 1/3 of sea life and poisons 1/3 of ocean (Revelation 8:8) deaths unknown
3. Asteroid impact poisons 1/3 of fresh water (Revelation 8:10-11): Many die because the water was so bitter. Deaths unknown
4. Reduction of sun, moon and starlight by 1/3 (Revelation 8:12): 0 deaths
5. Release of supernatural “locusts” (probably demons) which torment people for 5 months (Revelation 9:1-11) 0 deaths
6. Deaths of people caused by 200 million war horses and fire, smoke and sulfur – possibly nuclear war (Revelation 9:13-19) 1/3 of remaining world’s population = deaths about **2.6 Billion**
7. Earthquake, hail, lightning, thunder (Revelation 11:19): deaths unknown

Bowl Judgments

1. Painful sores for people with Mark of the Beast (Revelation 16:1-2) 0 deaths.
2. All sea life dies, all oceans become like blood (Revelation 16:3) deaths unknown.
3. All rivers and streams become like blood (Revelation 16:4) deaths unknown.
4. Sun intensifies and scorches people (Revelation 16:8) unknown deaths.
5. Darkness on Antichrist’s kingdom, painful sores on people (Revelation 16:10) 0 deaths.
6. River Euphrates dries up, battle of Armageddon (Revelation 16:12-16) deaths unknown.
7. Worst earthquake of all history, 100 pound hailstones (Revelation 16:17-21) deaths unknown.

Scripture only mentions ¼ of the world’s population dying in Seal #4 and 1/3 of the remaining world population dies in Trumpet #6. Together, these two judgments alone kill more than 3.5 billion people. That is 50% of the world’s population. This is equivalent to the entire countries of China, India and the United States, plus another one billion people.

The Ultimate Reset of God – The Second Coming of Jesus Christ

The prayers of the Jews are answered as our Lord Jesus Christ returns to earth to defeat the armies of the Antichrist at Petra/Bozrah and begin the final portions of the campaign. He returns to earth in the clouds, in the same

Covid Passports Are Coming And Our Civil Liberties May Never Be The Same Again

World Health Organization (WHO) recently admitted that lockdowns cause more harm than good. Following this announcement, one would have expected American politicians to immediately end the lockdowns.

After all, the WHO's pronouncements are considered infallible, so much so that social media sites silence anyone who dares challenge the great and powerful WHO. Yet, governors, mayors, and other government officials across the country are ignoring the WHO's anti-lockdown position.

Instead of admitting that the lockdowns were a mistake, many in the political class, which includes a disturbing number of medical professionals whose positions and prestige depend on government, claim that we cannot return to normalcy until a coronavirus vaccine is in wide use.

This suggests that people among the majority of Americans who do not wish to be vaccinated

will remain under lockdown or be forced to be vaccinated against their will.

The assault on our liberty will not end with deployment and use of a vaccine. Moncef Slaoui, the chief adviser of the Trump administration's Operation Warp Speed, a "public-private partnership" in charge of producing and delivering a coronavirus vaccine, has said that those who receive a vaccine will be monitored by "incredibly precise ... tracking systems."

Slaoui has also indicated that tech giants Google and Oracle will help the government keep tabs on the vaccinated individuals. So, the vaccine program will lead to an increase in government surveillance!

Slaoui is just the latest "expert" to endorse forcing the American people to relinquish their few remaining scraps of privacy to stop coronavirus. Dr. Anthony Fauci and Bill Gates have urged development of a digital certificate for those vaccinated for coronavirus. People without the

certificate would find their liberty severely restricted.

Those who think that the new surveillance system will be limited to coronavirus should remember that Social Security numbers were only supposed to be used to administer the Social Security program. They should also consider that the PATRIOT Act's expansion of warrantless wiretapping was supposed to be limited to stopping terrorists.

However, these powers have been used for a wide variety of purposes. Whenever government is given power to abuse our rights for one reason it will inevitably use that power to abuse our rights for other reasons as well.

Fauci and Gates' digital certificate could, and likely will, be expanded to include proof individuals have received a variety of other vaccines and medical treatments. The digital certificate could even extend to monitoring a person's lifestyle choices on the grounds that unhealthy habits make one more susceptible to diseases... similar to China's social score system which monitors and rates every lifestyle decision you make.

The digital certificate could also be tied to the REAL ID program to deny individuals who have not been vaccinated the right to travel. It could also be combined with a future mandatory E-Verify system to deny unvaccinated individuals the right to hold a job. Those who consider this "paranoia" should consider Britain is already developing a covid passport.

Liberty lost in the "war on covid" will not be voluntarily returned when the coronavirus threat ends -- assuming the government ever stop moving the goal posts and declares the coronavirus threat is over. Instead, the people must be prepared to take back their liberty from the politicians.

Fortunately, we still have the ability to do so by the peaceful means of educating our fellow citizens and pressuring our elected officials to reverse course. We must all do what we can to use these peaceful tools before we are in a "dark winter" of authoritarianism. ■

MANKIND

(Continued from page 7)

manner in which He departed. At His second coming, Jesus Christ, the Messiah, will enter battle with the Antichrist’s forces, fighting him without human assistance, with the Word of His mouth. He will quickly and easily defeat them. According to **Jude 14-15**, “*And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him.*” What a shocking Reset this will be to the unbelieving world!

Revelation 19:11-16, “And I saw heaven opened, and *behold a white horse; and he that sat upon him was called Faithful and True*, and in righteousness he doth judge and make war. His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself. And *he was clothed with a vesture dipped in blood: and his name is called The Word of God*. And *the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean*. And *out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron*: and he treadeth the winepress of the fierceness and wrath of Almighty God. *And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.*”

John Barela will be riding upon one of those white horses, along with every born child of God who has had their sins washed in the blood of the Lamb and we will be accompanied by an angelic army.

Our Lord Jesus will return with an angelic army. It is written in **Isaiah 63:1-7**, “*Who is this that cometh from Edom, with dyed garments* [dyed red with the blood of the Lamb] *from Bozrah? this that is glorious in his apparel, travelling in the greatness of his strength? I that speak in righteousness, mighty to save. Wherefore art thou red in thine apparel, and thy garments like him that treadeth in the winevat? I have trodden the winepress alone; and of the people there was none with me: for I will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment. For the day of vengeance is in mine heart, and the year of my redeemed is come. And I looked, and there was none to help; and I wondered that there was none to uphold: therefore mine own arm brought salvation unto me; and my fury, it upheld me.*

And I will tread down the people in mine anger, and make them drunk in my fury, and I will bring down their strength to the earth. I will mention the lovingkindnesses of the LORD, and the praises of the LORD, according to all that the LORD hath bestowed on us, and the great goodness toward the house of Israel, which he hath bestowed on them according to his mercies, and according to the multitude of his lovingkindnesses.”

Our Lord Jesus will establish his Kingdom on earth and rule and reign from the city of Jerusalem. All of the world will worship him. There will be no more Muslims, Roman Catholics, Buddhists, Hindus, Baptists, Methodists, Presbyterians — no religion whatsoever. All will worship the Lord Jesus and him alone.

Basically, we can sum up the entirety of the pages of Scripture this way: It’s a fallen world. Sin entered the world and death with it. Which is why our Lord Jesus came to the world and washed our sins away with his blood, returned to heaven to prepare a place for us, then come back to take us out of the world. That’s the whole plan of God. 1 John 3:8, “*. . . For this purpose the Son of God was manifested, that he might destroy the works of the devil.*”

It is important to note, that all involved in this planning are merely doing what God has destined them to do before the foundation of the world. God himself is in total control. It is written in **Revelation 17:16-17**, “*And the ten horns [European Community] which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.*”

As we witness this, believers in God’s eternal Word should rejoice in that what is taking place **MUST TAKE PLACE**. God’s Word **MUST** be fulfilled. The Jewish people were hoping their promised Messiah would overthrow the Roman rule of Israel and establish the promised Kingdom, but if our Lord Jesus had done this, we would still be in our sins – Satan would be set free - God’s Word would be broken – and the world would be without God and without hope.

To most Christians, it's exceedingly alarming to watch the push for a totalitarian world government gain popularity under the deceptive guise of climate change. We must keep in mind that not only does the Bible tell us there will be a one world government someday, it provides details of the destruction of Satan's kingdom at the Second Coming of Jesus (Revelation 19:11-20:10). The Lord Jesus will totally destroy both the Antichrist and his kingdom at His Second

Coming.

Revelation 17:12-13, “*The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast.*”

The World Economic Forum (WEF) refers to this redistribution of wealth as the "Great Reset." The quote below comes from the Fox Business website regarding the WEF's meeting in June 2020:

We're still in the earliest phase of the Great Reset. The full plan won't be rolled out until January 2021, when the World Economic Forum will host its annual meeting in Davos. But the framework of the plan is clear: By combining many of the money-printing strategies endorsed by Modern Monetary Theory economists with global Green New Deal-like policies and corporate cronyism, the elites at the World Economic Forum can effectively control economic activity on a scale that has never been achieved.

The words "effectively control economic activity" sound remarkably similar to the words of Revelation 13, which describe how the beast, the antichrist, will control all the buying and selling worldwide.

Agenda 2030 and its United States' equivalent, the Green New Deal, are the engines behind the coming economic control that the elite globalists plan to impose on the world. The Marxist nature of these programs is slavery by any other name.

“And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast. And it was allowed to give breath to the image of the beast, so that the image of the beast might even speak and might cause those who would not worship the image of the beast to be slain.” (Revelation 13:14-15)

Hitler had his Final Solution and the associates of Antichrist have theirs. World Health organization (WHO) Director General, Dr. Tedros Adhanom Ghebreyesus as stating that “*finding a vaccine for COVID-19 is not the final goal. No, the ultimate aim is the "reordering of society."*” This is Crisis Management 101. They want Global Climate Change Legislation.

The wearing of masks, the bowing of knees to the Black Lives Matter movement, and the vaccines consist of preconditioning people to both receive the mark of the beast during the tribulation and worship the antichrist (Revelation 13:16-18). This is the end game of what Satan seeks to accomplish through the Great Reset.

RUSSIA:

Reclaiming Lives -- Restoring Hope -- Sharing the Good News!

We thank God for His ongoing work among the Russian people which we could not do without our Director of Russian Missions, Alexey. He is doing a fantastic job ministering to those around him.

But Alexey has a BIG NEED — a new vehicle. A couple of years ago, we bought a small sedan for Alexey but the terrible Russian roads have taken a heavy toll on that car and he badly needs another vehicle. A good vehicle is **vital** for Alexey to travel to rural villages to help people. We would like to help Alexey purchase a used Honda or Toyota CRV for ministry work. A good used vehicle costs about \$10,000 and \$2,500 has already been donated for it. Your donation will help Alexey continue spreading the love of Jesus in Russia.

GOOD WORKS — OPEN DOORS

LYUDMILA'S FAMILY

This month Alexey has brought another disadvantaged mother to our attention. Lyudmila is a remarkable, humble woman with eleven children. Pictured above are nine of them. Their father has abandoned them. Lyudmila is a godly woman who reads God's Word and is hungry for fellowship with other believers.

This large family has a huge amount of needs, and yet, when our director Alexey asked her about her needs, she only mentioned her immediate need was **two winter coats** for two of her teenage girls.

Then immediately, Lyudmila turned the attention to another family that is in greater need than she. This family had actually helped her a great deal before, but the father of this family lost his job because of a severe eye problem. She told Alexey that instead of helping her family, to help the other family of ten — eight

children and the parents. This, of course, shocked Alexey very much. He had not seen such gracious people before.

If you would like to help purchase two winter coats for Lyudmila's girls, the cost would be about \$50 dollars each. These are nice, heavy winter coats. The children would also like an **Illustrated Bible, which costs \$30.**

ROMAN and TATIANA'S FAMILY

This is the family that Lyudmila told Alexey about. Roman and Tatiana have eight children. Roman developed a very serious eye problem that cost him his job. He is taking the picture.

Roman and Tatiana shared with Alexey that they had many great needs. But their greatest need is **a warm winter coat** for their 15-year-old daughter, Anastasia. But they only wanted Alexey to help with 1/2 of the price of the coat, and they would be so grateful.

Alexey was so impressed with the gracefulness of these people, because they live in such poverty, and yet they were content and grateful to God for all he has provided them. While Alexey was thinking on the gracious character of these two families - the mother Tatiana uttered these amazing words to Alexey, "Alexey, please, if you can help with 1/2 of the price for the coat, please use whatever you would help us with to help another family. We know another family who is in much greater need than we."

Alexey was overwhelmed by the compassion and humility of this family for others. Which leads us to the introduction of our next family.

ANDREI and STEPAN

This is Andrei with his son, Stepan. Andrei was born with Cerebral Palsy and is disabled. He receives a meager pension which only pays for his apartment and regular monthly bills. There is nothing left to buy any food. Andrei has a job walking door to door distributing advertising flyers, but has a very difficult time walking

because his body is in constant spasm and shaking. One of the doors in his apartment cannot be closed completely, and allows a large draft of cold air in his apartment.

When Alexey sat down to talk with Andrei, Andrei was overjoyed that someone would take the time to actually sit down and listen to what he had to say. Andrei has difficulty speaking because of his condition and people have a difficult time understanding him.

Andrei thanked Alexey and God for the large bag of groceries that Alexey brought to him and his son. He told Alexey that this was the first time anyone ever showed him any kindness. It was a wonderful blessing to them that someone would bring them this gift of food and chat with him. **Andrei is in need of a Bible and winter clothes for his son.**

KATERINA'S FAMILY

Last month, we told you about Katerina and her 5 children. Here, our Russian director Alexey, is reading the Bible with the family, while providing them with some groceries for the month. They are in great need of **bunk beds with mattresses**, which this work of faith provided last month to another family for \$300. **Their apartment is also in dire need of repair**, which would cost a few hundred dollars.

Thank YOU!

It's because of YOU and your compassion and generosity that *Today, the Bible and You* is able to make such an impact in their lives. We appreciate EVERY donation and ask you to prayerfully consider lending your support by giving money or by praying for our staff and ministry. God bless! ■

INDIA — Dongza Thawng

Dongza, Jemima (7), Levi (9), Vashti (3), Hoiching,

October 2020

Dear Prayer partners and supporters!

Greetings in the blessed name of Our Lord Jesus Christ! We never stop praying and thanking God for your tireless supports and prayers!

1. **Month of October** happened to be the birth month of my two daughters. **Jemima's birthday is on the 2nd** and **Vashti is on 17th**. We celebrated with small party. Thank you for your prayers and gifts. We are now looking forward for my birthday and our wedding date on November 11.

2. **Gospel Crusade:** We organized gospel crusade on October 23-25 at Our Door of Hope Centre. We called it **"Last Call Gospel Crusade"** because it may be last for somebody. The gospel is so urgent. We cannot take a chance. Due to the restriction from the government and our limited fund, we focused only on those whom we really burden for. We planned for only maximum 15. We got 14 campers. Some of them heard the pure gospel for the first time. They were from a church that tells

nothing about the gospel. Of 14 participants, only 4 went home not able to make decision. The rest of them accepted Jesus to be their Savior or restored from terrible backsliding. We spent about **\$400** — donated by us and some friends.

My brother, **Rev. Dr. Henkthang** is one of the two speakers.

The other Speaker is a retired pastor **Rev. Zuanlal**. He has an excellent gift for personal evangelism. Most of my fathers, uncles, aunts were converted though his counselings back in 1980s. Last year, my wife got assurance of salvation through his counseling.

Some of the testimonies from the campers:

"I was hopeless. My life was dark. I followed a dangerous road. But I now found hope. My sin though very gross, God still has forgiveness for me"

"I just learnt that salvation is a free gift. To be saved is to understand the greatness of his love and mercy."

"I have clearly understood that Jesus died for me. And Jesus wants me to be his friend." "Lord Jesus I come to you. I know you will never leave me again."

3. **First worship after lockdown:** When we first opened our church on Oct 4th, it was a time of celebration. Everybody had something to share of God's goodness during lockdown.

Prayer Needs:

1. **Our Car is on the way!** We booked 15 days ago, and we are expecting it the 2nd week of November.
2. I received an invitation to teach in **Leadership Seminar** in December. I am worried about the travel and the tests I have to go through. I need your prayers.
3. We have another seminar **"Young Mother's Retreat"** We need the same budget like the Gospel crusade- \$400.

Thank you again for your supports.

With deepest appreciation and love!

PERU — RADIO MISSION

Looking back nearly twenty years ago when God sent us to the beautiful Amazon River Valley in Peru to purchase a radio station, we had no idea the impact that station would have on the people of the area.

The listeners tell us how much they appreciate the radio station and almost weekly we get reports of people who have received Christ as their Savior while listening.

God has been so faithful and expanded the work in tremendous ways. What began as just one Christian radio station has now multiplied into three different TV channels and eight radio ministries as well as several translator stations in many outlying communities.

Carlos, our local director of the short-wave mission radio, and John in front of the satellite dish and antenna for the Rose of Sharon Mission Radio station.

Carlos (in dark shirt) with the crew that set up the original radio antennae and equipment for the station.

Our original station is located in Yurimaguas, Peru and then we built a second radio station in Picota which broadcasts in a 100 mile radius of the station across the Amazon valley.

Segundo, the manager of the radio station in Yurimaguas, and his wife Dorliss, share cakes and coffee with Carlos, John and Edgardo as they shared the wonderful things God was doing in Yurimaguas.

Recently, these ministry outlets have become extremely important. During this Covid-19 pandemic, all churches throughout Peru have been totally shut down and the radio and TV outlets have been a huge benefit to the people. In fact, many people who previously were not going to church have been listening on the radio or watching it on TV. There has been an increase in requests for Bibles, Bible literature and studies, and Bible teaching CDs to help the people grow in their newfound faith in Christ.

Edgardo, Wildoro and John preparing a Bible lesson on one of the local TV channels.

As it is written in Philippians 1:6, “*Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ.*”

Distributing Bibles

Always holding forth the Word of Life, we have been distributing Bibles to many who were never able to own their own personal Bible before. To most of the who received a free copy of the Holy Scriptures, they would bring the Bible to their cheek and embrace it with deep love and tenderness.

This group of young people gathered together in one of the outdoor churches in one of the jungle areas we visited. These kids were so hungry for the Word of God but Bible teaching materials are hard to come by. They have few Sunday School materials and there is no place where they can buy any. That’s why the Bible teaching programs on the radio stations are so important in these areas. The pastors in many of these remote churches have just been reading the Bible and teaching what they know ... And the people want to know more. Please pray with us for this precious work among these remote churches.

Carlos has been taking Bibles, gospel song books, and other Christian literature into these remote areas of the jungle where people listen to the Voice of the Rose of Sharon. Many young people are always in attendance and so hungry to learn about the Lord Jesus and His many promises to them.

Please continue to pray that the Lord will open their hearts to understand the teaching they are receiving and pray for the people who are

learning what it REALLY means to be a Christian.

God has been so faithful over the past years. We always thank God for YOU because your gifts to this work of Faith – make this all possible. Thank you for your support!

INDIA — Rejoice Kamei

Rose of Sharon Christian Schools and Home. Over the last couple months, your donations continue to help provide food for the poverty-stricken area of Nagaland, India. With the lockdowns, people have not been able to work and *food is needed now more than ever.*

Dear Pastor John, Greetings in the precious name of Jesus Christ.

Thank you for the kindnesses you showed by providing us with money to purchase rice for people. We praise God for His kindness to all of us. We were able to buy very much rice and other foods to

give to the people here. I have distributed the rice day before yesterday and continue many days. I was preparing only for 180 family with tokens but I was not able to send away those poor families whom I was not able to give rice but came to the school hearing the news. We had to order more bags of rice and distribute to them too. All together **235 families** have received the relief — 20 kg (44 lbs.) each. I am sorry to find out that many more families would want to be helped which I can't this time. I also wanted to thank you, Pastor John who made this great humanitarian work in such a time like this possible.

Many have asked me to convey their thanks and gratitude for the love and care you have shown to them in such a time like this. I was able to do that sooner because a shop owner was so happy to hear that you are sending money to help the poor. He told me I can take as many bags I required for the relief and pay him when ever I received the money. Pastor John, I am also blessed by the wonderful work you have done for the people here through me. May God continue to bless you and your family also your ministry.

Thank you for your support. Lots of love from our family. God bless you and your family.

Bibles Needed for Uganda

We thank God for using us to establish a beautiful school facility in rural Uganda, Africa. The school which opened in February has been shut down since about June because of the COVID19 virus.

Since the entire country is in lockdown it has caused the stress and poverty to exacerbate. A curfew is in place from 7pm to 6:30 am, and those caught away from home face arrest or being beaten on the spot by the police. The reality is many breadwinners have lost their jobs and social distancing is stopping them working at their trades. Families are hungry.

We have been able to send funds through the generosity of God's people to help purchase food for the teachers and others in the community who have been out of work for some time. The people have been extremely grateful.

Dear Pastor John,

God bless you. God is shaken the big man to be small. The Lockdown is changing many things in Uganda, especially in body of Christ. We praise God for you and all the Christian friends in America who help the people in Uganda so much. Still the lockdown is active in Uganda with people suffering so much with no jobs and many with no food. So in this lockdown they don't work. There no jobs. Situation is very hard to them.

Now about the SPONSOR a child program is going on in Mamba village, we are walking house to house, we do this work I and three teachers.

Now we are received 357 children to start school when government lets us in Mamba community. Children they more in community, we will end this work on Sunday. God bless you. Yours,

Brother Fred from Uganda

BIBLES DESPERATELY NEEDED

The Bible — the most fundamental tool in Christianity is a rarity in Uganda. A pastor told us that Bibles are desperately needed by the people of Uganda. While there are some exceptions, the typical Pastor

in these churches has no formal theological training and very little church experience. When I first met them, very few pastors owned a complete Bible and most did not have any at all. The Bibles I did see while I was there were held together with string or ribbon.

I was approached by groups of people who were willing to share a Bible among them if I could get a single copy for them. With over 25 nearby village churches, one can easily imagine the extent of the need. We want to be able to place Bibles with each pastor and have several Bibles for each church.

We can buy Bibles in their native language for about **\$10 each**.

Will you help?

If we each give what we can and trust God to multiply the number of people willing to do the same, we can provide the Word of God to thousands of Christians who are hungry for that Word and have no means for obtaining Bibles. The cost of a Bible — only **\$10** — is small to us, but represents a minimum of several months' wages for those people fortunate enough to have any income at all. Our church members in Gomba and Kampala will need about **200 Bibles which totals \$2,000 dollars**.

Will you join us in making an eternal difference by sharing Scriptures?

Every \$10 you share will help provide life-changing Bibles that bring people into a meaningful relationship with loving God.

NO GIFT IS TOO SMALL:

Your \$5 - \$10 - \$25 - \$50 - \$100 - \$500 gift is greatly appreciated.

Through your support today, we can reach them with the hope of the gospel. **When you give by December 31, your gift will be tax-deductible for 2020. ■**

Alabama Flips US Senate Seat in Pro-life Victory

■ALABAMA, 11/04/2020 (LifeSiteNews) —Republican Tommy Tuberville unseated pro-abortion Democrat Senator Doug Jones in Alabama on Tuesday, a major win for pro-lifers.

The southern state is generally very pro-life. When former Senator Jeff Sessions (R-AL) resigned to become Attorney General, he was replaced by Senator Doug Jones in a close special election in 2017. But some constituents felt he was not the right guy for the job.

Kim Marvin is a mom of six and neonatal nurse

in Alabaster, Alabama. She praised God when she heard Jones was unseated. "He does not represent the constituency and today we affirmed that," she told LifeSiteNews. "He was the first Democrat to be elected to the Senate [for Alabama] in 25 years. Alabamians were betrayed by Jones. He did not represent the will of the people for life. Today we made our voices heard. We voted to protect life and to protect our Second Amendment rights."

BIDEN 'WILL OPEN THE FLOODGATE TO RADICAL ISLAMIC TERRORISM.' WHY DON'T HIS SUPPORTERS CARE?

■(Opinion, PJMedis.com, Nov 2, 2020) -- President Donald Trump played Captain Obvious when he said that if elected President, Joe Biden "will open the floodgate to radical Islamic

terrorism." The President declared that "under the Biden plan, the horrifying attacks in France will come to our cities and our towns."

There are numerous reasons why Trump was right; yet there are also numerous reasons to believe that Joe Biden's supporters just don't care.

Trump also stated: "And you saw three days ago what happened, the beheading in France, and today it happened again," referring to the beheading of a woman and murder of two other people in a French church in retaliation for France's refusal to condemn and criminalize drawing cartoons of Muhammad. The woman was beheaded by a Muslim migrant who had just arrived in France days before, which highlighted the relevance of Trump's statement that "Biden wants to terminate our travel bans and surge refugees from the most dangerous places in the world." ■

PERU:

In 2007, the Voice of the Rose of Sharon radio station began broadcasting gospel of the Lord Jesus to an area that was famine-stricken for the Word of God. Today, that single radio station has expanded to include TV programming on several channels and has produced over 200 congregations in different parts of Peru and various other ministries to children and adults but there is still a great need for Bibles and study materials. The Lord also opened many important doors with municipal leaders to our director in Peru, Wildoro Mendoza. The provincial governor asked Wildoro to be his spiritual counselor and they have organized days of prayer and fasting in local communities. *Would you consider supporting this important work?*

His ministry is growing so fast that he is currently looking to buy a new property so that they can expand their mission. Dongza holds Bible studies with college students and families, youth camps, vacation Bible school and crusades, and has also begun Christian couples retreats to heal marriages and a follow-up program for the new believers who committed their lives for Christ during salvation camp (many of whom are recovering alcoholics). He travels to nearby villages and reaches out to anyone the Lord sends his way with food and the gospel of Jesus Christ and has seen the hand of the Lord moving in a mighty way. Dongza and a missionary friend, Junus Khan, (pictured) also witness to Muslims and Hindus in the area. They have had several converts and are helping them to build homes and a new life on some land which was donated by a local doctor. PHILIPPINES — SMO (Student Missionary Outreach):

SMO's vision is to "Reach the Filipino Youth for Christ with the Gospel of Jesus Christ". In the past, the Bible was not allowed to be taught in most schools. However, in recent years the Lord has opened doors through the SMO-Moral Values Program. With this program, SMO is now welcome to conduct the Moral Values Seminar in schools throughout the 7,000 Philippine islands. The program teaches the dangers of smoking, drug-addiction, alcoholism, pre-marital sex, and much more — and even school officials and teachers have participated with the students. Many teachers have testified of God's power in moving, convicting, delivering, and changing the lives of many young people. SMO has also established a Bible training school to train future youth workers to reach the youth of the Philippines.

INDIA—Rose of Sharon Christian Schools and Home — Rejoice Kamei

This is one of the top-ranked schools in NE India with an attendance of over 950 children. Many of the children are orphaned, or are too poor to even pay for the basic books and uniforms. The students come from various religious backgrounds such as Muslim, Hindu, Christian and Animist (spirit worshippers). They are all taught in the English language and have Bible classes, attending chapel services as well. The school also conducts an annual Bible camp for the students and needs Bibles, study materials, and food for the camp. Afterward, a program for the parents and families of the students which includes a plan of salvation is presented. They also reach out with the Gospel and hold church services for the local villagers. Attendance is growing every year and so is the need for more uniforms, textbooks, classrooms, housing, bunk beds and benches for the students. Right now, there are about 70 students per classroom and there are not enough seats for everyone. A basic building (15 classrooms) will cost approximately \$150,000. *Will you help?*

BURMA — New Life Orphan Center AND Grace Children's Home

New Life Orphan Center founded by Pastor Khup Lam Thang (aka Thangno) and Grace Children's Home run by Zam Kap are two orphanages we support in Burma. All the children receive Bible training and basic education from kindergarten to university. They are taught Bible stories and Christian songs that will build their relationship with God. Several of the orphans have recently graduated from university. With their degrees, they could find good jobs, yet, they chose to serve the Lord by remaining in the orphanage to teach other orphans. Indeed, this is a testimony of how they want to repay the debt they owe to God.

Q&A

(Continued from page 5)

help me; and I remained there with the kings of Persia. Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days." Isaiah 10:12-14

Although not directly identified by Isaiah, this king of Assyria bears a striking resemblance to the Antichrist. Both the Book of Daniel and the Book of Revelation describe the Antichrist as proud and arrogant, boasting arrogantly and blaspheming God Himself. His boast that "no one can even flap a wing against me or utter a peep of protest" also fits the description of the Antichrist as given in the Book of Revelation:

"And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?" Revelation 13:4

Isaiah 10, coupled with Daniel 8, lends support to the idea that the Antichrist will somehow be connected to political power in this region of the world.

Is the Antichrist Jewish?

Although there is no definitive answer, two Bible verses provide us with good reason to believe he will be. The first appears in the Book of Genesis when God prophesies the coming of Israel's Messiah and Satan's Antichrist.

"And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." Genesis 3:15

Later on, when Jacob is blessing his sons, he makes this prophecy about Dan: "Dan shall judge his people, as one of the tribes of Israel. Dan shall be a serpent by the way, an adder in the path, that biteth the horse heels, so that his rider shall fall backward.." Genesis 49:16-17

This reference to a serpent striking a heel may indicate that the Antichrist will be a Jew from the tribe of Dan, but it isn't certain and many reasonable people are divided on this issue.

In addition to this reference to the tribe of Dan, the Book of Daniel points out that the Antichrist will worship himself above all else:

"Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all." Daniel 11:37 (KJV)

This passage is often referenced by those who believe the Antichrist will be of Jewish heritage. The fact that he will have no regard "for the God of his fathers" is viewed as a reference to the

monotheistic God of the Jews.

Adding further fuel to speculation that the Antichrist might be Jewish is the following passage from the Book of Revelation:

"And I beheld another beast coming **up out of the earth**; and he had two horns like a lamb, and he spake as a dragon.." Revelation 13:11

This verse states that the Antichrist will "come up out of the earth," a biblical phrase often associated with the promised land and the Jewish people. Throughout the Old Testament, the earth is used as a symbol for Israel, while the sea is used as a symbol for the Gentile peoples:

"And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy." Revelation 13:1

The verse above is a reference to the Antichrist's kingdom, which as stated before, will be a revived form of the Roman Empire - thus emerging from among the Gentile people. But all the authority of this kingdom will be exercised by "the beast from the earth" referenced in Revelation 13:11:

"And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.." Revelation 13:12

The first beast, whose "death-wound had been healed," is the revived Roman Empire. The Book of Daniel clearly states that this world empire will re-emerge in the last days, thus becoming healed of its mortal wound. But the one who rules it will "come up out of the earth." Could this be a reference to the Antichrist's Jewish heritage?

Will the Jews Accept the Antichrist as Messiah?

All the speculation surrounding the Antichrist's possible Jewish heritage lends itself to another question: **Will the Jews accept the Antichrist as their Messiah?** Many believe that the following statement by Jesus is really a prophecy that the Jewish people will accept the Antichrist as their Messiah:

"I am come in my Father's name, and ye receive

me not: if another shall come in his own name, him ye will receive." **John 5:43**

The Antichrist would have to be Jewish in order to be accepted by Israel as the Messiah. Many believe this scripture points to a specific person in the future who will "come in his own name" and be accepted as the Redeemer of Israel.

Final analysis

It is an absolute certainty that the Antichrist will arrive on the world scene as the ruler of a revived Roman empire.

However, it is less certain whether or not he will be of actual Italian descent or some other ethnic background. Several scriptures offer the possibility that he could be Assyrian, Greek, or Jewish. But none of them offer us the definitive statement contained in Daniel 9:26.

So how do we rectify these seemingly contradictory prophecies concerning the Antichrist's nationality? *Is he Roman? Italian? Jewish? Assyrian? Greek?* He doesn't necessarily have to be exclusively one or another. He could be an Assyrian Jew born and raised in Italy, or any number of possible combinations.

We don't know for certain, but history indicates that each of these prophecies will be harmonized when the Antichrist finally appears.

Two thousand years ago, the seemingly contradictory prophecies of the first coming of the Messiah were all harmonized in the life of Jesus Christ who was a Nazarene born in Bethlehem who came out of Egypt. With the benefit of hindsight, we can see how this was possible, but for the Jewish scholars who lived before the birth and ministry of Jesus, these prophecies were a topic of intense debate.

Would the Messiah come from Nazareth, Bethlehem, or Egypt?

The answer, of course, was all three.

In similar fashion, a debate continues today in regard to the prophecies of the Antichrist and his national identity. But no matter how much we speculate on the ultimate meaning of the scriptures, we won't know the absolute truth until God's appointed time.

As such, it is wise to study these prophecies and teach them to others, so that Christians of the Antichrist's generation will be able to positively identify him based on sound Scriptural evidence.

May the Lord Jesus Christ, upon His Return, find us actively engaged in teaching these truths to others. Until then, live with a patient and enduring faith that His Return is soon upon us. ■

Anti-aging Healthy coffee with more than 100 Antioxidants in Every Cup!

A relatively new breakthrough in both health, nutrition and the coffee industry allows the consumer to rid their bodies of harmful contaminants by simply drinking a cup of coffee, mocha, tea or hot chocolate containing Ganoderma Lucidum every day. This new anti-aging coffee with more than 110 antioxidants could be the fountain of youth that we've all been waiting for. Scientists now believe the pollutants in the air, water, and land play a huge role in the aging process and is the core problem for many life threatening illnesses. Recent studies of pollution in people by the Environmental working group (EWG) are troubling. In 2003, the EWG tested the blood and urine of nine volunteers for 211 possible contaminants and discovered 167 pollutants, including an average of 56 carcinogens in each person. Of the 167 chemicals found, 76 cause cancer in humans or animals, 94 are toxic to the brain and nervous system, and 79 cause birth defects or abnormal development. The dangers of exposure to these chemicals in combination has never been studied.

Welcome to the world's healthier anti-aging coffee containing a water soluble extract from Ganoderma lucidum. This extract has 200 active elements that penetrate each cell and take the toxins out of the cell for direct elimination from the body resulting in a healthier cell. Ganoderma Lucidum works in the body for those millions of people who want and need to improve their health through its remarkable use. With its detoxification/cleansing in the body, it restores system balance and helps strengthen the body's immune system and cell integrity.

Testimonies from Ganoderma Users

Elena, Tulsa - I had a bad case of shingles because of the my low immune system and the stress that I was under. After only about a week or so of drinking this Ganoderma coffee that was given to me by my sister, the shingles completely disappeared. One more big problem I had, was hair loss. I was so embarrassed to go out because of my hair loss, it was really bad. But then, I also started taking the Ganoderma capsules and another big surprise came about, my hair stopped falling out! What a wonderful surprise. You can be sure I will not be giving up my healthier coffee.

Maria, Miami - I just moved to Miami from Tulsa where I was first introduced to this wonderful new healthier coffee with Ganoderma in it. At first it sounded a bit strange, but the results it brought me were super. I was under a great deal of stress that zapped my energy and made me be in a bad mood all the time, it seemed. In only a few days, I noticed a tremendous amount of energy that I received each time I drank a cup of this delicious coffee and my mood was changed from bad to happy. All of my family is very appreciative of my new discovery. Another problem I had was very poor bowel movement. I immediately found relief with my bowel movements and ever since my movements have been very regular. What a blessing.

Dave F., Tulsa - I have been a plumber now for over 30 years. Because of this, I developed arthritis and a great deal of pain in my body, my legs and my back. Because of the extreme pain, I naturally began to take pain medicine, lots of it. This caused me to have a lot of stomach problems. Like most people, I love coffee and my doctor told me that my stomach would not heal as long as I kept using caffeine. I had caused a lot of damage to the stomach lining from taking too much ibuprofen and naproxen pain pills. I've been on the purple pill [Nexium] for about 2 years and really haven't gotten any better, even though I've stopped the pain pills. However, since I was introduced to the healthier coffee product, the pain in my stomach changed dramatically. Within 3 - 4 days the pain was almost gone. It was such a relief to be able to feel good again and not have to take so much pain medicine. I have given up a lot of things in my life and I am better for it, but I just couldn't part with my coffee. Now I don't have to give up my coffee, I can drink all of this new healthy Ganoderma coffee. And the more I drink, the better I feel and the more energy I have. Besides being the absolute best tasting coffee I've ever had, it really is good for you.

Vicki, Tulsa, OK - It all started with lung cancer, then it went to the brain where they found 2 tumors. I've had chemo, radiation and surgery. In March and April 2008, a tumor developed in my

lower back, which once again meant more radiation. Anyone who has had radiation knows the fatigue you get from it. I was introduced to the Ganoderma Lucidum products in August 2008, and I was still having some fatigue. That was the first thing the Ganoderma took care of, as I have no more fatigue. I get tired but not fatigue and there is a difference. After using the Ganoderma Coffee for several weeks, I noticed that my breathing became much better. I have been on oxygen for 2 years / 24 - 7, and just a couple of weeks ago, I no longer have to wear it only when I am doing strenuous active, such exercising, walking long distances. What a BLESSING it is!! My biggest Blessing, has been after a PET Scan & Brain MRI, showed nothing at all!! The last PET Scan 3 months ago, had shown some cancer building in my lymph nodes, at that time they wanted to watch them closely as radiation would permanently injure my shoulder!! I give thanks to God and the Ganoderma coffee!!

Kit B., Tulsa - I was diagnosed with Osteoarthritis in both knees and hips. The doctor did not want to put me on anything because of health risks in my family history. I was in so much pain that the doctor finally put me on Celebrex. The doctor thought that I was having heart problems. Well, turns out after tests, I was having side effects from the medication. So off the medication and back on the pain. Then we were introduced to this healthier coffee. I am not a big coffee drinker, but I told my friend I would try it. I didn't notice anything at first. Then, about two weeks later I was asked how I liked the coffee. I said it was ok (keep in mind I don't drink coffee so I didn't really know what to say). Then about a week later I ran out. Wow, when I was no longer drinking the coffee, I knew what to say then. Before I would have said that I really hadn't noticed a difference. Until I ran out and my pain came back then I realized what a difference it made. I have not run out since and I will never run out again. I have no leg pain and can sleep a lot better at night. A cup of Folgers \$1.00 A cup of Star Bucks \$6.00, and a cup of Gano coffee, *PRICELESS.* ■

MANKIND

The Way of the Future

A new religion known as "Way Of The Future", worship a 'godhead' based on AI! They state that their focus is on "the realization, acceptance, and worship of a Godhead based on Artificial Intelligence (AI) developed through computer hardware and software." It includes funding research to help create the divine AI itself. I know this sounds absolutely crazy, but this is actually happening.

One need look no further than to this following quote from Klaus Schwab, the founder and executive chairman of the World Economic Forum, listen very carefully to the way he says this, this is on their website:

“The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world.”

The evil diabolical plan of man is subject to the perfect prophetic plan of God for man in the redemption of man.

In other words, everything is going perfectly according to schedule.

Never imagine, for a second God is in heaven going, *“What do I do!? What! When did this happen!?”* How disconcerting would that be? I mean, this is God, who is supposed to be all-knowing, all-present, all-powerful. What we are seeing now is what occurred at our Lord’s first coming. We read in Acts, 4:26-28:

“The kings of the earth stood up, and the rulers were gathered together against the Lord, and

against his Christ. For of a truth against thy holy child Jesus, whom thou hast anointed, both Herod, and Pontius Pilate, with the Gentiles, and the people of Israel, were gathered together, For to do whatsoever thy hand and thy counsel determined before to be done.”

Lucifer wants to mold the world and do a

Reset to “his image”. The “Days of Noah” are clearly linked by Jesus to His ultimate return. In **Matthew 24:37-39** it says, *“But as the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.”*

Lucifer wanted to Reset mankind In a similar way that he did in the Sixth Chapter of Genesis – he failed back then and he will fail again! He has waited a long time to try it again. It is happening today.

Lucifer tried to do a Reset in Genesis by mixing the nature of fallen angels with human nature. This caused God to bring about the Great Flood

in order to save the blood line of Messiah. In today’s Reset, Lucifer and his demons are changing mankind's DNA by blending human, animal and plant DNA together. They also have the technology to write completely new DNA and to create completely new life forms and in a speedy fashion.

In 2015, one of the front covers of *Time* magazine stated “2045 – The Year Man Becomes Immortal.” In the article, they believe the secret to life everlasting is simply replacing parts that they can grow themselves. Scientists in the field have already coined the term for this new version of man and they call them humans 2.0. The problem is humans 3.0 and 4.0 will be coming out very shortly. The idea of blending humans, animals and plants together, as well as writing their own code for brand new life forms, clearly threatens to destroy the world, as we know it. To go along with this new breed of men, they are already talking about a new level of racism that will come with it. This new form of racism will be between those who are modified versus those who are not.

Let me be perfectly clear, if God does not intervene soon, *none* of His creations will be left.

This is exactly what the plan of God for man is: It’s to redeem man from this fallen evil world. Dare I say it’s almost a “wrap,” for lack of a better way of saying it? Such that God is about to *wrap it up*, and we are on the cusp of the last seven years of human history as we know it. *We are on the cusp.* It’s as someone said, *“We are just a gnat’s eyebrow away, and yes, gnats have eyebrows — I think, you just can’t see them.”* That’s how close! ■

The government lockdown has also been very strict in Uganda and has exacerbated the suffering in such a poor country. They are in great and urgent need of all the help with the food they can get. As it is written that

man shall not live by bread alone, but by every word that comes from the mouth of God, they are also in great need of Bibles. Bibles are more expensive in Uganda than in most other countries and sometimes difficult for them to find.

God is doing amazing good works through us! And He is always looking to reveal His kindness through us to others. ***Remember, your gift, no matter how small, does make a difference!***

LAST WILL AND TESTAMENT

Will the State Get Your Property?

If you die without a will and don't have any family, your property will "escheat" into the state's coffers.

Are you considering the future and what legacy you will leave with the resources God has given you?

Many of God's people want what the Lord Jesus has given them to continue furthering the work of God after they are called home. In their will, many choose to carefully share what God has given them with their family, but also to be generous with continuous service to God's work of faith. They decide to leave a bequest in their will to *Today the Bible and You*. This is something that can easily be done, taking simple language and incorporating it into their will. They are delighted to be able to continue to pour into ministries like *Today the Bible and You*, because they see the difference in reaching out through various ministries around the world..

If you feel God is leading you to support us in this outreach, a charitable bequest is one of the easiest and most flexible ways that you can leave a gift to further God's kingdom that will leave a lasting impact. A charitable bequest, put simply, is a gift you give to a charity through your last will and testament.

The benefits of a bequest include the following:

• Receive an estate tax charitable deduction

• Reduce the burden of taxes on your family

• Leave a lasting legacy to *Today, the Bible & You*

You can include language in your will or trust specifying a gift to be made to family, friends, or *Today, the Bible & You* as part of your estate plan. Learn more about making charitable bequests to *Today the Bible & You* by calling

The Non-Prophets Guide to the End Times Bible Prophecy for Everyone

Todd Hampson — 18 chapters – 224 pages – softbound

Do you tend to avoid studying books of the Bible like Revelation and Ezekiel?

Does it feel like words such as *rapture* and *apocalypse* fly right over your head? It’s common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated.

But God’s Word says, “*Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near*” (Revelation 1:3).

Prepare to be blessed in an entertaining and meaningful way! *The Non-Prophet’s Guide to the End Times* combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There’s no better time to grasp God’s plans for the future—and for you—than this very moment.

Trump 2024

Love him or hate him this film answers the question; *What will the world look like in 2024 after Trump?*

If President Trump loses his bid for re-election, what will America be like by the time 2024 rolls around? Donald J. Trump is still by far the most polarizing figure to ever hold the office. Some have called him the worst thing to happen to America — a racist, sexist, crazy, unhinged lunatic. Others have called him a man of integrity, a true patriot, appointed by God to lead the United States.

Trump 2024: The World After Trump addresses the aggressive movement seeking to bring America under control of a One-World Government. For decades there have been powers at work to establish globalism and destroy the sovereignty of the United States. This movement is dismantling America’s liberties, teachings, values, and silencing our voice in religious, economic, and public places around the globe. Submitting to a controlling one-world centralized government is their ultimate goal. The battle to maintain the foundational values and independence of the United States against a global community has never been more fierce. And the threat of losing our ability to pursue life, liberty, and happiness has never been more threatened.

The Age of AI

Artificial Intelligence and the Future of Humanity

Are robots going to take my job? How are smartphones affecting my kids? Do I need to worry about privacy when I get online or ask Siri for directions? Whatever questions you have about AI, *The Age of AI* gives you insights on how to navigate this brand-new world as you apply God’s ageless truths to your life and future.

Alexa, how is AI changing our world? We interact with artificial intelligence, or AI, nearly every moment of the day without knowing it. From our Twitter and Facebook social media feeds to our online carts to smart thermostats and Alexa and Google Home, AI is everywhere. In *The Age of AI*, Jason Thacker--associate research fellow at the Ethics and Religious Liberty Commission--helps us navigate our digital age in this thoughtful exploration of the social, moral, and ethical challenges of our ongoing interactions with artificial intelligence.

Applying God's Word to this new AI-empowered age, *The Age of AI* shows us how Christian truth transforms how we use AI in order to love God and our neighbor better. It serves as a guide for those wary of technology's impact on our society and also for those who are enthusiastic about where AI is taking us. Jason explains how AI affects us individually, in our relationships, and in our society at large as he addresses AI's impact on our bodies, sexuality, work, economics, and privacy. With theological depth and a wide awareness of the current trends in AI, Jason is a steady guide reminding us that while AI is changing most things, it does not change the foundations of the Christian faith.

THE TRUE CHRISTIAN HISTORY OF AMERICA

By Christian Pinto

The True Christian History of America is a powerful documentary, showing the Bible-based Christian origins of the early American view of freedom, tracing the principles of liberty back to England and the great Reformation.

For many years, Americans have been taught in our schools and universities that the founding of our Republic was the result of the Enlightenment from France, or from the deists of that time. *But is that truly the case?* Did the Enlightenment first declare no taxation without representation? Or trial by jury? Were they the champions of freedom of speech, or of the press? And why did Samuel Adams declare that the “reign of political Protestantism” would commence, just before signing the Declaration of Independence?

Filmed on location in the United States, as well as in England, Switzerland, and the Czech Republic, this insightful documentary contains unique interviews with experts from around the world, who relate how the champions of the Gospel pursued the cause of freedom across the centuries, and how it is their beliefs which are enshrined in the Declaration, the Constitution and the Bill of Rights.

At a time when America and the principles of freedom stand in peril, it has never been more important for the Christian world to reclaim its historic heritage. This documentary is perfect for churches, Bible study groups, homeschool parents, or anyone who desires to learn a detailed history on the influence of Christianity in the United States. *150+ minutes*
