Bill Gates Predicted Pandemic Years Ago

Gates and notable disease experts have been warning of a pandemic for years. In 2019, an exercise simulating a global pandemic of a "fictional coronavirus" took place. Was this pandemic planned? See Page 8

The Cause of the Demise of our Judeo - Christian Culture

How should believers view 2020 and the upheaval it brought?

What if the problems tearing our nation apart right now are not truly about racism, police brutality, or equality? What if the central problem we face is not a physical one, but a spiritual one?

Matthew 15:18-19, *"But those things which proceed out of the mouth come forth from the heart; and they defile the man. For out of the heart proceed evil thoughts, murders, thefts, adulteries, fornications, false witness, blasphemies:"*

George Barna, Family Research Council's Senior

Research Fellow for Christian Ethics and Biblical Worldview, laid out the stakes of this election plainly: *"The 2020 election is not about personalities, parties, or even politics. It is an election to determine the dominant worldview in America."*

Barna made it clear what has to take priority for parents: *"The Bible teaches that a parent's most significant job in life is to raise up their children to be spiritual champions -- people who know God, love his word, and live according to it."*

“For the word of God and the testimony of Jesus Christ” — Revelation 1:9

Dr. John Barela

“And at that time shall Michael stand up, the great prince which stands for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book. And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever. but thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.” -- Daniel 12:1-4

November 2020

Beloved Fellow Heir in Christ Jesus,

November 2020. Isn't it *amazing* that we are nearing the end of this year and preparing to celebrate another Thanksgiving? We daily express our thanksgiving to our Lord Jesus for using us -- you and me together --in this ministry to impact the lives of countless people all around the world. Thank you for your generosity and faithfulness.

The November 2020 issue of *The Atlantic* features an article titled, "The Election that Could Break America"... The President of the United States, the First Lady, many others in the Administration and on Capitol Hill have been diagnosed with the pesty virus ... A new wave of the coronavirus is hitting New York, Paris, London, Madrid, and other places... the terrible fires that have caused so much destruction and misery in California and the western United States... the progressive government in Washington that never seems to be content living a gentle and quiet life. We are definitely living in what many call "uncertain times," but if you study God's prophetic Word, you see that things are not all that uncertain.

Romans 13:11 says, “*And that, knowing the time, that now it is high time to awake out of sleep: for **now is our salvation nearer than when we believed.***” In today's evangelical church, countless believers are yielding to the assault of our adversary, the devil, and falling away from the precious faith and giving in to the compromised teachings of the emerging apostate church that our Lord Jesus warned would come in His name.

It is written: **Matthew 24:3-5**, “*And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world? And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many.*”

Those who could have been overcomers became succumbers.

What does it mean to be an “overcomer?” An overcomer is one who patiently waits for the promised return of our Lord Jesus – hates evil, searches the Scriptures to see if there are any false teachers in their midst, and remains faithful to their Savior.

We are now living in the days the prophet Daniel referred to as “*And at that time . . .*” in Daniel 12:1. This refers to the troubles are the greatest, and when the Archangel Michael “shall stand up.” The name Michael signifies, *Who is like God?* Michael also has a title given to him here, “*The great prince which standeth for the children of thy people.*”

Daniel then warns about the great tribulation period in 12:1, “*. . . and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book . . .*”

This is talking about the time when two-thirds of all Jews living in Israel will be killed. This horrendous suffering

THE GOOD NEWS:

GOD LOVES YOU! The Bible says, “*God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish, but shall have eternal life*”

1. The problem is ... All of us have done, said or thought things that are wrong. This is called sin, and our sins have separated us from God. The Bible says “*All have sinned and fall short of the glory of God.*” God is perfect and holy, and our sins separate us from God forever. The Bible says “*The wages of sin is death...*” (Romans 6:23)

2. The good news is ... about 2,000 years ago, God sent His only Son Jesus Christ to die as payment for our sins. Jesus rose from the dead and now lives in heaven with God His Father. He offers us the gift of eternal life -- of living forever with Him in heaven if we accept Him as our Lord and Savior. Jesus said “*I am the way, the truth, and the life. No one comes to the Father except by Me.*” (John 14:6)

3. If you want to ask Christ to forgive your sins and be your Savior, and know for sure that you will go to Heaven, you can pray this prayer right now.

"Lord Jesus, I believe you are the Son of God. Thank you for dying on the cross for my sins. Please forgive my sins and give me the gift of eternal life. I ask you into my life and heart to be my Lord and Savior. Help me to TRUST you and make you Lord of my life! In Jesus name I pray, Amen."

If you prayed this prayer, the Bible (God's Word), tells us that when you pass away or when Jesus returns again, you will be saved and spend eternity with Jesus Christ! If you prayed this prayer today, call and let us know.

by the Jews will be the final surgical procedure by God that will remove their disbelief. Our Lord Jesus shall return and show the Jewish people his nail-pierced hands, and as **Romans 11:26-27** says, “*And so all Israel shall be saved*: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: For this is my covenant unto them, *when I shall take away their sins*.”

For those who understand Bible prophecy, the latter days became quite certain with the birth of modern Israel in 1948. These are the days of the budding fig tree — the times of the end. Societal upheavals, natural disasters, and the threat of new and more horrible kinds of war create fear and anguish across the world. But the Bible said these things would happen during the days not long before the return of Jesus. The Bible's accuracy should give us tremendous comfort. Through it, God demonstrates His authority and ultimate control. He did not create us, then leave us to fend for ourselves. He remains active and completely immersed in our lives. When you're one of His, He has a Bible full of promises to give us comfort and hope in times of trouble.

I will be the first to raise my hand and admit that I sometimes have anxiety about my needs and worry about the uncertainty of tomorrow. But when I keep abiding in His Word and read all of His great and precious promises and see the history of His provisions for me in the past and also those promises He has fulfilled in Scripture, I see that I can confidently put my faith in Him because God surely does care *for* me and will take care *of* me.

Our Changing World

Since the coronavirus first appeared in the United States, the goal line for easing government restrictions, lockdowns, quarantines, and face masks has continually changed. Dr. Fauci recently stated that people can return to movie theaters only after the vaccine has been available for an entire year.

Tucker Carlson's August 26th report on The Fox News Channel stated that the goal line has moved yet again. He quoted the World Health Organization (WHO) Director General, Dr. Tedros Adhanom Ghebreyesus as stating that “*finding a vaccine for COVID-19 is not the final goal. No, the ultimate aim is the “reordering of society.”*” He quoted the WHO director as also saying this, “*We will not, we cannot go back to the way things were.*” This is Crisis Management 101. They want Global Climate Change Legislation.

Dr. Ghebreyesus of the WHO summed it up this way, “The COVID-19 pandemic has given new impetus to the need to accelerate efforts to respond to climate change.” Tucker Carlson quoted Bill Gates as saying that the COVID-19 pandemic signifies “*that the rest of us will have to sacrifice even more to save the earth from warming.*”

So, *what's the connection between the virus and climate control?* Tucker Carlson nails it with these words, “*both are pretexts for mass social control.*” This “social control” is paving the way for the coming world government. The global warming alarm and the fear generated by COVID-19 are prepping society for the arrival of the antichrist.

Peter Koenig wrote this about how COVID-19 is advancing the agenda of the elite toward the one-world government, which he calls “the Beast.”

We have become enslaved to the Beast. The Beast calls the shots on boom or bust of our economies, on who should be shackled by debt, when and where a pandemic should break out, and on the conditions of surviving the pandemic, for example, social confinement. And to top it all off - the instruments the Beast uses, very cleverly, are a tiny-tiny invisible enemy, called a virus, and a huge but also invisible monster, called FEAR. That keeps us off the street, off reunions with our friends, and off our social entertainment, theatre, sports, or a picnic in the park, and away from our churches.

I find it remarkable that although Mr. Koenig does not claim any knowledge of Bible prophecy, he uses the terminology of Daniel and the book of Revela-

tion in describing the kingdom of the antichrist.

Tucker Carlson was spot on with his assessment of climate change and COVID-19, “*both are pretexts for mass social control.*” The wearing of masks, the bowing of knees to the Black Lives Matter movement, and the vaccines consist of preconditioning people to both receive the mark of the beast during the tribulation and worship the antichrist (Revelation 13:16-18). This is the end game of what Satan seeks to accomplish through The Great Reset.

The prophet Daniel, writing 2,600 years ago, wrote about The Great Reset. He called it a “beast” with “horns” (Daniel 7:23-25). The apostle John, in Revelation 13, added more details to this beast whom the antichrist will someday personify. He is the “man of iniquity/lawlessness whom the Lord will destroy at His second coming (2 Thessalonians 2:3-8).

Yes, the news about our world today is more than a little disconcerting. But the lawlessness and violence of our day tell us that the prophesied tribulation is ever so near. We do not watch in fear for The Great Reset or the tribulation; but we eagerly await the appearance of our great Savior, Jesus Christ who will take us back to the place He has prepared for us (John 14:1-3). We await our speedy departure from this world to heaven.

Luke 17:23-25, “*And they shall say to you, See here; or, see there; go not after them, nor follow them. For as the lightning, that lighteneth out of the one part under heaven, shineth unto the other part under heaven: so shall also the Son of man be in his day, But first must he suffer many things, and be rejected of this generation.*”

We as believers look forward to the Second Coming of Jesus Christ because it will bring Him glory - because He will establish His Kingdom on earth - He will bind Satan and righteousness and truth and peace will prevail over the earth as He reigns spiritually and physically in Jerusalem over the world.

Our Lord Jesus tells us in Acts 1:10-11. “*And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel; Which also said, Ye men of Galilee, this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.*” He went up physically, bodily, literally, visibly and disappeared behind the clouds. That is precisely the way He will come back...through the clouds visibly, physically, bodily, literally coming down and placing His feet on the Mount of Olives. **It must happen. It cannot be set aside!!!**

As we wait for His coming, let's continue to grow in the grace and knowledge of our Lord Jesus Christ and fulfill the work before us. As we see one fulfillment of God's Word after another emerge right before our very eyes, may we be encouraged with more fervency than ever to participate in the mission work with what God has provided us.

God is always looking to reveal His kindness through us to others. What are some of the things that can be done? **Remember, your gift, no matter how small, does make a difference!**

"Trump: 'We Are Learning to Live with COVID' Just Like the Flu"

■(Breitbart News, October 06, 2020) "President Donald Trump said Americans were 'learning to live' with COVID-19 just like they were with the seasonal flu. 'Flu season is coming up! Many people every year, sometimes over 100,000, and despite the Vaccine, die from the Flu,'" Trump wrote on Twitter. "Are we going to close down our Country? No, we have learned to live with it, just like we are learning to live with Covid..."

Finally, please remember that the CDC just recently admitted that only 9,210 Americans died strictly from COVID-19! The rest of the fatal statistics came from people who either had serious other illnesses or who died of something very common, but their death was fraudulently listed as 'COVID-19'!

Amazon Unveils Payment by Hand-Waving: Another Precursor to the Mark Of the Beast?

■Amazon announced a new product for its Ring subsidiary company, a mail surveillance system. They also released a new palm scanner point-of-sale system.

Amazon unveiled Amazon One, a biometric payment system using palm prints for identification and payment at physical retail stores. The devices are presently available for use in Seattle locations for Ama-

zon Go stores, and the company wants to expand it to any retailer willing to partner with the megagiant. Instead of being identified by an account on their mobile phones, customers can simply walk into the store, scan their palm, shop for products, and the purchases will be automatically charged to a credit card. If the Amazon One hand scanner wasn't enough, Amazon Ring just announced that it will be releasing a new in-home drone and mail monitoring system using a sensor. *Activist Post* reported last week on the in-home drone, noting how the autonomous drone "Always Home Cam" zooms around inside your home to give you a perspective of any room you want when you're not home.

The mail system is equally as privacy-invasive as a camera that flies around your home. The \$30 Mailbox Sensor is a little sensor that relies on Amazon's Sidewalk technology to extend the range of your Wi-Fi network, and is designed to send an alert to your phone when the mailbox door is opened; and it's supposed to work with other Ring products, such as using Ring doorbells and outdoor cameras to record footage when the mailbox is opened. This means that the cameras will trigger to record the mailbox when the sensor is tripped. Ring is really fulfilling its goal of becoming a blanket surveillance system.

If Amazon's use of palm prints for identification and payment systems sounds like something you have read in the Book of Revelation you are correct. The Book of Revelation warns that during the Tribulation every person will be required to accept a mark in their right hand which will be necessary for commerce.

"And the second beast required all people small and great, rich and poor, free and slave, to receive a

mark on their right hand or on their forehead, so that no one could buy or sell unless he had the mark -- the name of the beast or the number of its name. Here is a call for wisdom: Let the one who has insight calculate the number of the beast, for it is the number of a man, and that number is six hundred sixty-six". Rev. 13:16-18

Many Christians are concerned that acceptance of such technology is conditioning people for when the actual 'mark of the beast' is implemented. Christians have long debated the meaning of the "mark of the beast". It still remains to be seen if the mark will be digital tattoos, microchips under the skin or some other form of biometric payment using the hand such as Amazon Pay, but there is no denying it, our generation appears to be the first in history to have the technology to fulfill this prophecy.

Israel's Peace Deals Are a Strategic Nightmare for Iran

The Abraham Accord is threatening decades of foreign-policy planning in Tehran.

■(Maysam Behraves, Hamidreza Azizi, 09/14/20) When U.S. President Donald Trump announced the Abraham Accord, which normalized relations between the United Arab Emirates and Israel, on Aug. 13, the world took note of it as a historic moment. In Iran, the agreement also registered as a grave threat. In a remarkable show of unanimity, diverse officials across the political establishment denounced the accord and warned about its consequences. It was a signal of a coming, unavoidable change of strategy by Iran.

The day after the agreement, the Iranian foreign ministry condemned the pact as "strategic idiocy" and "a stab by the UAE in the back of Palestinian people." One day later, the Islamic Revolutionary Guard Corps (IRGC) issued a fiery statement, dubbing the normalization "historic idiocy" that will bring about a "dangerous future" for the UAE leadership. On the same day, Iranian President Hassan Rouhani also weighed in with his own opprobrium, describing the accord as "betrayal" and warning that if Emiratis "allow Israel a foothold in

the region, they will be treated differently." (In response, the UAE summoned Iran's chargé d'affaires in Abu Dhabi to protest against Rouhani's "threatening" and "tension-instigating" remarks.) On Aug. 16, Armed Forces Chief of Staff Mohammad Bagheri joined the chorus with a stark admonition that Iran's policy toward the United Arab Emirates will "fundamentally change" and that "the Islamic Republic's armed forces will view this country with a different calculus." "If something happens in the Persian Gulf and the Islamic Republic of Iran's national security suffers a breach, albeit minor, we will hold the UAE responsible and won't tolerate it," Iran's top military commander asserted.

Over 4 in 10 American Christians say Bible is 'ambiguous' on abortion

■(ChristianPost.com, 10/07/20) Over four in 10 American Christians believe the Bible is "ambiguous" on abortion, according to the Cultural Research Center of Arizona Christian University. Conducted by CRC Director of Research George Barna, a noted evangelical pollster, the report found that 44% of respondents said they believe the Bible "is ambiguous in its teaching about abortion," while 34% said "abortion is morally acceptable if it spares the mother from financial or emotional discomfort or hardship." Barna said in a statement that the findings on opinions about abortion were part of a broader departure from "biblical truth" by self-identified American Christians.

"The irony of the reshaping of the spiritual landscape in America is that it represents a post-Christian reformation driven by people seeking to retain a Christian identity," said Barna. "Unfortunately, the theology of this reformation is being driven by American culture rather than biblical truth."

The report also found that 34% of self-identified Christians reject the idea that marriage is defined as being between one man and one woman and that 40% accept lying as morally acceptable if it advances personal interests or protect one's reputation.

QUESTION: There are so many people from different countries who live in our country now and believe in different gods, is there an easy way to explain the difference between the God of Christianity and the Bible to them? Somehow many of them think that it is all the same god. What would be a clear way of showing them the difference?

ANSWER: The term “god” has also been applied to many other deities around the world, including: “Zeus,” “Jupiter,” “Brahma,” “Allah,” “Ra,” “Odin,” “Ashur,” “Izanagi,” “Buddha” - “the Great Spirit” of native Americans throughout South, Central, and North America - the “Dalai Llama” - then there is the New Age brand of gods like “Shirley MacLaine” “Kenneth Copeland” “Freemasons,” just to name just a few.

Strangely, most of the great empires of the past and those in our time do not actually worship or know the true God of Scripture. China, Japan, and most Asian countries, all with huge populations, do not worship the God of Heaven. The Bible speaks of Four Great World Empires – Who did they worship?

FIRST GREAT WORLD EMPIRE: BABYLON, represented by Gold

An or Anu - the god of Heaven

Enlil - The god of the air and storms. ...

Enki - The god of water and the fertile earth

Ki - The mother-goddess representing the earth

Ashur - Main god of Assyria (sky god)

Ninlil or Nillina - The goddess of air (possibly the south wind) and wife of Enlil

Inanna - The goddess of love and war

Ea - The god of Wisdom

SECOND GREAT WORLD EMPIRE: PERSIA, represented by Silver

Vayu, the god of the wind, treated the cosmic ocean at the foot of this sacred mountain by gathering the rains brought by the god of water, Tishtrya. The greatest Persian god of antiquity was "Ahura-Mazda", the god of light and wisdom.

THIRD GREAT WORLD EMPIRE: GREECE, represented by Bronze

Most ancient Greeks recognized the twelve major Olympian gods and goddesses — Zeus, Hera, Poseidon, Demeter, Athena, Ares, Aphrodite, Apollo, Artemis, Hephaestus, Hermes, and either Hestia or Dionysus — although philosophies such as Stoicism and some forms of Platonism used language that seems to assume a single transcendent deity.

FOURTH GREAT WORLD EMPIRE: ROME, represented by Iron, with the Final End-time Roman Empire represented by Feet of Iron and Clay

The main god and goddesses in Roman culture were Jupiter, Juno, and Minerva. Jupiter was a sky-god which Romans believed oversaw all aspects of life; he is thought to have originated from the Greek god Zeus. Jupiter also concentrated on protecting the Roman state. Military commanders would pay homage to Jupiter at his temple after winning in battle.

Scripture accurately describes these gods in Psalms 115:2-9, “Wherefore should the heathen say, Where is now their God? But our God is in the heavens: he hath done whatsoever he hath pleased. Their idols are silver and gold, the work of men's hands. They have mouths, but they speak not: eyes have they, but they see not: They have ears, but they hear not: noses have they, but they smell not: They have hands, but they handle not: feet have they, but they walk not: neither speak they through their throat. They that make them are like unto them; so is every one that trusteth in them. O Israel, trust thou in the LORD: he is their help and their shield.”

The Psalmist declares with certainty the greatest of the God of Heaven in Psalms 135:5, “For I know that the LORD is great, and that our Lord is above all gods.” Scripture makes another sharp contrast between the gods of the heathen and the God of Heaven in Jeremiah 10:2-6, “Thus saith the LORD, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them. For the customs of the people are vain: for one cutteth a tree out of the forest, the work of the hands of the workman, with the axe. They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not. They

are upright as the palm tree, but speak not: they must needs be borne, because they cannot go. Be not afraid of them; for they cannot do evil, neither also is it in them to do good. Forasmuch as there is none like unto thee, O LORD; thou art great, and thy name is great in might.”

Who made God and where did He come from?

A common argument that sets the God of Heaven apart from atheists and skeptics is that if all things need a cause, then God must also need a cause. The conclusion is that if God needed a cause, then God is not God and if God is not God, then, of course, there is no God. Everyone knows that something does not come from nothing. So, if God is a “something,” then He must have a cause, right?

Ex nihilo is Latin for "out of nothing": when phrased as ex nihilo nihil fit, "nothing comes from nothing", it means that the universe was formed from eternal matter; as creatio ex nihilo, "creation out of nothing", it means that matter is not eternal but had to be created by some eternal uncaused cause, frequently defined as God.

Creation ex nihilo is the theistic answer to the question of how the universe comes to exist. The Big Bang theory is a scientific theory that offers no explanation of cosmic existence but only a description of the first few moments of that existence.

One of the most profound Scriptures in all the Bible is given to us in Genesis 1:1, “In the beginning God created the heaven and the earth.” It tells us several things all at once, four of which are worth reflecting upon.

First, it reveals to us that God is the ultimate Being. Before there was a universe, there was God. He exists independently of matter and sequence of time. God transcends space and time. He is not limited by spatial considerations - He is everywhere in His fullness continually. Nor is He locked into the present in any way. It is not accurate to say that before the universe was created there was “nothing,” because before the created universe existed, there was God. Theologians speak of God’s immensity, infinity, and transcendence to describe this and our minds stagger at the thought of it, unable to take it in. All we can do is acquiesce and worship. None of this is true with the gods of the Empires.

Everything that exists originates from God. Genesis employs a special Hebrew verb for the act of creation (bārā) the subject of which is always God. No other subject is employed or implied. Man, too, “creates” (poetry, music, literature, architectural wonders, for example)

(Q&A—Continued on page 15)

When 2020 began, who could have imagined that a virus from China would take us closer to the tribulation than anything else? COVID-19 has done exactly that. Since the virus first appeared in the United States, the goal line for easing government restrictions, lockdowns, quarantines, and face masks has continually changed. They have gone from flattening the curve, which the CDC said would take two to four weeks, to reduced hospital admissions, to everyone receiving a vaccination, and to Dr. Fauci recently stating that people can return to movie theaters only after the vaccine has been available for an entire year.

But will the arrival of a vaccine mark a return to normal? According to Tucker Carlson's August 26th report on The Fox News Channel, the goal line has moved yet again. He quoted the World Health Organization (WHO) Director General, Dr. Tedros Adhanom Ghebreyesus as stating that finding a vaccine for COVID-19 is not the final goal. No, the ultimate aim is the "reordering of society." He quoted the WHO director as also saying this, *"We will not, we cannot go back to the way things were."*

Dr. Ghebreyesus of the WHO summed it up this way, "The COVID-19 pandemic has given new impetus to the need to accelerate efforts to respond to climate change." Tucker Carlson quoted Bill Gates as saying that the COVID-19 pandemic signifies *"that the rest of us will have to sacrifice even more to save the earth from warming."* So, what's the connection between the virus and climate control? Tucker Carlson nails it with these words, **"both are pretexts for mass social control."** This "social control" is paving the way for the coming world government. The global warming alarm and the fear generated by COVID-19 are prepping society for the arrival of the antichrist.

THE GREAT RESET IS THE GOAL

One need not look any further than to the World Economic Forum (WEForum.org) website to see how the global elite seek to use these "crises" to reorder society for what they call "The Great

THE WORLD IS BEING PREPARED FOR THE 'GREAT RESET'

Reset." Below are a couple of the opening quotes from the "The Great Reset" page of the WEF website.

There is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the World Economic Forum is starting The Great Reset initiative.

The Covid-19 crisis, and the political, economic, and social disruptions it has caused, is fundamentally changing the traditional context for decision-making. The inconsistencies, inadequacies, and contradictions of multiple systems -from health and finance to energy and education - are more exposed than ever amidst a global context of concern for lives, livelihoods, and the planet. Leaders find themselves at a historic crossroads, managing short-term pressures against medium- and long-term uncertainties. (www.weforum.org/great-reset)

The push for the Great Reset has reached the United Nations. António Guterres, the UN's Secretary-General, added this to the call for the reordering of the world governments based on both the "pandemic" and "climate change:"

The Great Reset is a welcome recognition that this human tragedy must be a wake-up call. We must build more equal, inclusive, and sustainable economies and societies that are more resilient in the face of pandemics, climate change, and the many other global changes we face.

COVID-19 and climate change constitute "a wake-up call" for "global changes," which further the need for the Great Reset, the coming world order of the tribulation over which the antichrist will someday rule. The elite who operate the WEF do not hide their intention to use climate change and the virus as the pretext for a one-world government.

Peter Koenig wrote this about how COVID-19 is advancing the agenda of the elite toward the one-world government, which he calls "the Beast."

"We have become enslaved to the Beast. The Beast calls the shots on boom or bust of our economies, on who should be shackled by debt, when and where a pandemic should break out, and on the conditions of surviving the pandemic, for example, social confinement. And to top it all off - the instruments the Beast uses, very cleverly, are a tiny-tiny invisible enemy, called a virus, and a huge but also invisible monster,

called FEAR. That keeps us off the street, off reunions with our friends, and off our social entertainment, theatre, sports, or a picnic in the park."

I find it quite remarkable that although Mr. Koenig does not claim any knowledge of Bible prophecy, he uses the terminology of Daniel and the book of Revelation in describing the kingdom of the antichrist.

I provide these quotes to show how climate change and COVID-19 lie behind the push for the Great Reset.

We see evidence of this in the United Nations' Agenda 2030, which lists goals for a one-world government that it hopes to put in place by 2030. The Green New Deal in the United States mirrors the goals of Agenda 2030 with its agenda for a Marxist totalitarian world order (AKA the Beast).

THE CONDITIONING OF SOCIETY FOR 'THE GREAT RESET'

How are the elite globalists of our world preparing the world to follow their lead in establishing a Marxist government? Below I list some of the ways they use the coronavirus as well as climate change for their demonic purposes to bring about the Great Reset that will pave the way for the rule of the antichrist during the tribulation.

1. FEAR: The first tool in the arsenal of the globalists is fear and they have succeeded in creating a great deal of it both in the United States and throughout the world.

They advanced the horrors of climate change for decades, but this alone has not caught the attention of the masses that they had hoped it would do. An abundance of failed predictions along with an army of scientists who now dispute the dire warnings of impending doom have diminished the impact of climate alarm on many people. It consistently ranks low on the lists of concerns for voters.

The globalists needed a crisis that would impact everyone in the world and thus COVID-19 arrived on the scene. They still issue dire warnings regarding climate change for those who will listen and buy into that contrived panic. However, the elite have added the coronavirus to their plans to generate the widespread alarm they require to make people willing to accept their demonic Marxist solution for both crises.

Where did all these young people who hate the US come from?

Many look on with astonishment at Antifa and other extreme groups rioting and shouting "death to America?" How could all this happen? *Where did all these young people come from who hate the US?* Chances are they caught this belief from our public school systems. It's time to take a serious look about protecting your children from indoctrination.

Have we forgotten that OUR children are OUR responsibility? Rearing them, teaching them, caring for them, and loving them is our responsibility. In this country, it seems we have abdicated that responsibility and ceded it over to the state. In the process, we have allowed the state to change our children's values and replace them with someone else's. But whose values are they receiving?

As a Christian parent, you will undoubtedly want your children to share your faith and not that of a secular system. Teach your children how to think and help them to develop good godly character.

We wonder why the world is in the dilemma it is in and why America has lost its love for the Lord Jesus and for the Truth of God's Word. God's Word predicted it would be this way at the end of this age, making way for the next dispensation of time, the Great Tribulation. (2 Timothy 3:1-5)

The rejection of God's Truth has made way for the corrupt heart of man to make great inroads into the very fabric of our society. If we do not teach our children to understand the Scriptures, they will immediately fall prey to the wiles of the devil. **There is no middle ground.** It is written in Matthew 12:30, *"Whoever is not with me is against me, and whoever does not gather with me scatters."*

Our Lord Jesus said, ". . . *I am the way, the truth, and the life: no man cometh unto the Father, but by me.*" (John 14:6) The most powerful weapon in the world, the **TRUTH**, is personified in the person of our Lord Jesus Christ.

The apostle Paul, who considered himself sinless – only came to discover his sinfulness by Scripture. It is written in **Romans 7:7-9, 18:** *"What shall we say then? Is the law sin? God forbid. Nay, I had not known sin, but by the law: for I had not known lust, except the law had said, Thou shalt not covet. But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the*

*law sin was dead. For I was alive without the law once: but when the commandment came, sin revived, and I died . . .*¹⁸ ***For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not.***"

The Word of God is the only book in the world that accurately describes the condition of the human heart: **Jeremiah 17:9, "The heart is deceitful above all things, and desperately wicked: who can know it?"** The greatest wickedness and evil has not come from common criminals: but from the brightest minds of Oxford, Cambridge, Harvard, Yale, Princeton, Stanford, along with the great nihilistic peoples from Germany, Karl Marx, Sigmund Freud, Karl Jung. Apart from the life of Christ in the human being, the human soul is left to its own demise. It is written **Genesis 6:5, "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."**

The problem of evil is not that people are uneducated, as some would have you believe. Some of the most evil people who ever lived, were the most educated. These are the types of minds that are being cultivated and groomed in all of the universities in the United States and Europe.

It surprises many when they discover that Karl Marx was an apostate from the Christian faith. The one who wrote *Das Capital*, the basis of Communism and our educational and Democratic Party system today, was raised in a Christian home even though his father descended from a long line of rabbis. His father was baptized in a ritualistic church when Karl was six years old. Karl Marx wrote an essay on John 15:1-14 on the union of the faithful Christ. He was 17 when he wrote this essay. This is the man who wrote the godless ideology that has destroyed millions and continues to condemn souls to hell. His sins are accruing unto him day by day as his ideology continues to damn people. His evangelists like **Horace Mann and John Dewey** continue to add damned souls to the account of Karl Marx. The world continues in its pursuit of nihilism.

nihilism

[ˈniːlɪzəm, ˈniːəˌlɪzəm] 

NOUN

the rejection of all religious and moral principles, in the belief that life is meaningless.

- *philosophy*
extreme skepticism maintaining that nothing in the world has a real existence.
- *historical*
the doctrine of an extreme Russian revolutionary party c.1900 which found nothing to approve of in the established social order.

This is the same evil heart that worked in two

men who have brought the United States to where it is today.

Horace Mann and John Dewey continue to rule America from the grave.

Things really aren't falling apart. In fact, they are orchestrated. To suggest something is falling apart is to say they are out of God's control. Nothing could be further from the truth as it concerns the last days. It's just that the average Christian – not to mention pastor - does not know the road map through the final days even though the Bible spends almost one-third of its pages talking about them!

Our educational system isn't in the shambles it is by accident. It was this Progressive-Communist -Democratic party that began the destruction of our educational system and made it what it is today. This is exactly the cause behind the radical anti-American college professors and public school teachers. And it did not happen overnight.

Horace Mann (1796-1859) is widely considered the "father" of the American Public School system. A Massachusetts lawyer and politician, he became the most prominent American activist for state-funded public schools which he called "common schools." He believed that religion, particularly Christianity, was harmful to education. He believed that public schools would solve all social and moral evils:

John Dewey [1859-1951], redefined the entire educational system with "new thinking". Dewey stepped in where Horace Mann ended.

Dewey is truly a giant in the history and philosophy of modern education, not only in the United States but the world. It is difficult to exaggerate his enduring influence on America, and he is rightly considered the father of "progressive" education. Progressive is the seductive term for Communism. His philosophy had more influence on American teachers, superintendents, and education methods than any other man before or since.

Way back in 1949, *Time* magazine wrote: "almost every public U.S. school has become Deweyized." Dewey was a communist sympathizer. He toured the Soviet Union in the 1920s, writing a series of articles titled "Impressions of Soviet Russia" in which he praised the Bolshevik Revolution and the Communist education system that Lenin and Stalin were building:

Bill Gates Predicted and Warned Leaders of a Global Health Threat Years Ago

He also had the ability to bring that Prediction to fruition – a luxury Jeanne Dixon and other seers never had

In 2015, Bill Gates warned that the biggest potential killer the world faced wasn't war, but a pandemic. The billionaire spent hundreds of millions of dollars to find faster ways to develop vaccines and create disease-tracking systems. He urged world leaders to build national defenses against new infectious diseases.

Mr. Gates said, "I wish I had done more to call attention to the danger." The Microsoft Corp. co-founder is now squaring off against the scenario he sought to forestall. Amazingly, the vaccines he is developing will make him hundreds of billions of dollars - very much more than the billions Microsoft made for him.

Bill Gates warned Presidential candidate Donald Trump about the dangers of a pandemic in December 2016, *The Wall Street Journal* reported. He discussed the threat infectious diseases pose and urged President Trump to prioritize the US's preparedness efforts. This advice was also shared with other 2016 presidential candidates, according to *The Journal*. Gates has been warning of a pandemic for years, as have notable disease and flu experts. Former White House officials have also previously warned of an upcoming pandemic threat.

Pop culture, too, has seemingly predicted the novel coronavirus, as it reports on many other end-time scenarios. Online conspiracies are circulating over books and movies that have alluded to a worldwide pandemic.

The world today has reached the point of no return as all that God has decreed cannot be abrogated. As more information comes out about this crisis and the evil being done under the banner of this crisis, it is clear to see that a clever networking organization is pulling the strings..

We are reminded of the days of Noah and what is written in Genesis 6:5-6, "*And God saw that the wickedness of man was great in the earth, and that [listen to this] every imagination of the thoughts of his heart was only evil continually. And it repented the Lord that he had made man on the earth, and it grieved him at his heart.*"

It's interesting because we're told in the Gospels by our Lord Jesus that the evil in Noah's day

would be like the evil in the last days. In Luke 17:26, Jesus said: "*And as it was in the days of Noah, so shall it be also in the days of the Son of man.*"

It should be noted that "evil" is "live" backwards, and "devil" is "lived" backwards. I say that because I find that very telling in a world where evil is good and good is evil. I mean, my goodness, they're putting hairdressers in jail and releasing sex offenders! It's all backwards. Good is evil and evil is good. Isaiah 5:20 pronounces a curse on those who call evil good. Isaiah writes, "*Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!*"

You know, I was thinking about this particular verse, and it kind of dawned on me and actually answered a question for me. The question was, *do these people really know that what they're doing is evil?* Like in Noah's day, it was continually every thought that they had, every intention that they had, was only, always, continually evil all the time. I think that Isaiah answers this question of "do they know". It's my belief that they actually think that the evil they're doing is for the good of humanity. They don't realize that what they're doing is evil because, to them, it's good!

What is taking place today has been in the works for many years. All of this has been planned for decades, as we can see in the shutdown of businesses, and the takeover of our entire school system and every other facet of government. It is scripted and planned.

Event 201

"Event 201" – actually means "2 global 1". It was an event that was held in of New York City on October 18, 2019, just weeks before this pandemic hit. Event "201" or "2 global 1" was a high-level pandemic exercise simulating a global pandemic, modeling what they called a "fictional coronavirus." It was hosted by the Bill and Melinda Gates Foundation, John Hopkins University, and the World Economic Forum.

You can actually go online to the Event 201 website and view the videos of this simulation. It's really in the form of a roundtable discussion with all of these experts. They're just basically going off a script in this simulation: What do we do in the event of a global pandemic with a fictional coronavirus? You can watch these videos.

There are several hours of footage of event 201 online. The video that I want to draw your attention to is **segment 4, titled: "communications discussion."**

This is what they said in this simulation on those videos concerning the controlling of the narrative. Here's the first quote:

I think, as in previous conversations centered around management of information of public health needs, there needs to be a centralized response around the communications approach that can then be cascaded to informed advocates represented in the NGO communities [NGO is an acronym for nongovernmental organizations] and the medical professionals etc., centralized on an international basis because there needs to be a centralized depository of data facts and key messages.

Here's another quote from a different attendee:

To add to it, maybe by saying that I think that one of the things we want to do is work with telecommunications companies to ensure that everyone has the kind of access to ensure communications that we are interested in providing because that's going to be critical.

Here's another quote, different attendee:

We can speak to them very clearly in a daily briefing. In this case, I can't imagine any other institution other than the World Health Organization being the focal point.

Here's another quote; this one's very interesting; read very carefully:

*I think a complementary **tactic** is to **tap faith-based organizations** and civil society and other institutions to recruit them also to basically almost at a grassroots level **to basically have the integrity.***

In other words, to lend creed to what we're going to do, we need to recruit the faith-based community because that's going to add credibility/integrity.

WARNING

(Continued from page 8)

Here’s another quote; this is where it gets really interesting:

The social media platforms, there’s an opportunity to understand who it is that’s a susceptible forum to misinformation.

Finally:

We need to stop social media from creating huge damage, and we should use it and get it on our side, and we should work together with them and try to avoid this misinformation.

Social Media Censorship

I suppose it should come as no surprise CNBC would report that Facebook will start warning people who “like or react to fake coronavirus news.” It actually gets even worse than that. I was reading a report just released this last week that, apparently, they (Facebook) have a “Supreme Court” of sorts consisting of 20 people that constantly police all of the posts on that platform.

Breitbart published a report that “Twitter will now warn you if you are about to post **wrongthink**.” *Wrongthink?! Oh, you want to control what I think?! Yeah. So, if I post anything that is wrong in the way you think, that’s “wrongthink”? So, right can be wrong and wrong can be right? Yes, because good is evil and evil is good. Again, it’s all scripted, and it gets worse....*

World Economic Forum

Event 201 was also hosted by the World Economic Forum who has a very scripted and detailed website. If you go to the World Economic Forum website to this page: www.centerforhealthsecurity.org/event201/ or WEForum.org, it seems that they already had a global plan in place.

You could literally spend endless hours on this website, going through all of these links. There is the COVID-19 page with links to everything and anything you could possibly imagine.

Links like: “finding a vaccine” and “the media’s role during COVID-19.” When you select that one, more links light up, like, get this, “global governance,” and “internet governance.” For those of you who are unfamiliar with blockchain technology, it concerns cryptocurrency/digital currency.

Quantum Dot Tattoo & Cryptocurrency

One more interesting link is the Biotechnology link. It details the using of this technology known as “body activity data” by way of a bio-compatible near-infrared “quantum dot tattoo”

that is delivered to the skin by microneedle patches to record vaccination. Not only will it identify who’s been vaccinated (and who’s not, by the way), it will also be your “digital ID.” Many believe this is ID 2020 which is already in place. Having an ID, record, or “mark.”

In most places you cannot go into certain stores and buy anything unless you have a mask on. How interesting! Today it’s a mask, but soon, the Bible tells us, it won’t be a M.A.S.K.; it’ll be a M.A.R.K. If you want to buy, you want to sell, you want to live, you’ve got to have a mark. Right now, it’s like preconditioning. You have to have a mask.

This “ID 2020,” this “biocompatible quantum dot tattoo,” is going to be that which documents you and IDs you so that you can have access to basic goods and services.

There is something new that seemingly pops up every day. There is now new information on “Luciferase.” I don’t know how to pronounce it, but to me it looks a lot like “Lucifer-erase” or if you prefer, “Lucifer-race.” If you want, we’ll just for short call it “Lucifer.”

The National Center for Biotechnology (NIH) information webpage has some weird information on creating “self-illuminating quantum dot conjugates.” It seems that this is how the tattoo, or the “mark,” is actually going to be powered. This is a quote from the abstract:

These self-illuminating quantum dot conjugates can be prepared by coupling of commercially available carboxylate-presenting quantum dots to the light-emitting protein Renilla luciferase [or Lucifer for short]. That is what gives it power, gives it light. *Interesting.*

By the way, Bill Gates has a patent application pending which someone assigned the number “WO2020060606.” That is not a patent number. A patent attorney said that it is not an official patent number, which makes it even more interesting, because what that means is somebody assigned that number to this patent-pending application. So, what is this patent application? It is described as a “cryptocurrency system using body activity data.”

For those of you that are familiar with cryptocurrency, there’s actually this need to do “data mining,” mining, which is the key when it comes to cryptocurrency. Cryptocurrency, of course, a digital economy using blockchain technology to track everyone’s currency. You can buy and sell with this cryptocurrency.

The story goes on, it’s House Resolution 6666. It’s a bill “To authorize the Secretary of Health and Human Services to award grants to eligible entities to conduct diagnostic testing for COVID –19, and related activities such as contact trac-

ing, through mobile health units and, [listen] as necessary, at individuals’ residences, and for other purposes.” *This grants Health and Human Services access to individuals at their residences in their homes for the purpose of testing and quarantine.*

Vaccine & The Mark of The Beast

It is interesting to note that in the original language of the Greek New Testament, we are told how the antichrist will “force” everyone, great and small, rich and poor alike to take this mark (without which they will not be able to buy or sell), in the original language the word “mark” is where we get our English word for “tattoo.”

It is very possible that this vaccine, with all its biotechnology and tracking capabilities, that this quantum dot tattoo, means the Revelation 13 technology is already here. At this stage of the game, this new biotechnology will ultimately and eventually become the mark of the beast.

The sinister part of this biotechnology and the Antichrist Associates is that they are telling the world that we cannot return to life as usual until everyone receives a vaccine. This has been said by many, chief of whom is Bill Gates himself, who has said repeatedly that we cannot return to normal until everyone has been vaccinated.

This is why it is probable that we’ve passed the point of no return, by virtue of the facts, as we know them.

U.S. News and World Report published an article titled: “*Many Vaccine Skeptics Plan to Refuse a COVID-19 Vaccine, study suggests.*” Here’s why that could be a big problem for them refusing it. They say:

The availability of a vaccine for the novel coronavirus will likely play a key role in determining when Americans can return to life as usual. According to some estimates, about one-fifth to two-fifths of Americans express reservations about vaccine safety. If most of these individuals forego receiving a COVID-19 vaccine, they potentially jeopardize the recovery process.

They are telling the whole of humanity.’ You can’t go back to work. You can’t go to buy and sell until you have this vaccine; and as such, it will be forced.

I would suggest that the bigger problem with a vaccine likely playing a pivotal role in determining when Americans can return to life as usual has to do with the fear of a “mega famine.”

According to *Al Jazeera*, the UN is warning: “What we are facing now is a double pandemic of famines that could impact us at [get this] Biblical proportions.”

MISSIONS

RELIGION THAT IS PURE AND UNDEFILED BEFORE GOD, THE FATHER IS THIS: TO VISIT ORPHANS AND WIDOWS IN THEIR AFFLICTION, AND TO KEEP ONESELF UNSTAINED FROM THE WORLD. JAMES ONE TWENTY SEVEN

INDIA — Dongza Thawng

Dongza, Jemima (7), Levi (9), Vashti (3), Hoiching,

September 2020

Dear prayer partners and church families! Greetings in the blessed name of our Lord Jesus. We are extremely thankful for your prayers and your loving gifts and donations!

FAMILY MATTER AND ACTIVITIES:

1). Thank you for your prayers for my wife Hoiching. She is much better now. We did all the necessary tests and the problems were diagnosed. She has gastritis that affect UTI.

We were so scared of visit hospital since March. But for some days it became our second home. Because we had to do many tests. But as we go there, everything is not normal. We have more sympathy for people who work day and night there. We can pray for them in a better way.

2) For India, this season is the most allergic season due to the climate change. Flu is very common. In Delhi, dengue is common. But here due to the heavy rain fall every day, flu is very strong. One has to see Dr anyway for check up. I just finished my treatment too. I am ok now but still taking the medicine. Hoiching also doing the same beside her gastric.

3) But our children are just fine. God keeps them

safe. They continue their school homework. Sometime as parents very tiresome for us. We become the teacher while paying their tuition fees without fail.

4) By God's grace since the lockdown, we continue our daily Bible reading, memorizing the scripture and prayer time, worshipping and learning of choruses. We try to win the battle and go triumph by worship.

MINISTRIES AND CHURCH:

1). Ever since we became Christians 100 years ago, we observe as a tradition the month of September as a month of SEPGUAL (Month of Campaign) Which means every member in the church should involve. Every single member, every home should do something, donate something. Every member must donate his/her one day wages. Every household to give his one day income. Every home as whole should donate. The church make program that all homes visited, all money collected, all share God's word, all should join the prayers meeting etc. That is what we suppose to do one day this month. As small church we don't do everyday.

2). My devotional writing which I named "Fellowship of Thirsty soul and Hungry" is by God's mercy and blessing is well accepted. God knows to how many people it reaches. Thank God for the technology/media too. I received thank you notes from all over.

3) My two book projects are going on but slowly and steadily. One is a new one. But the other one is the translation of LAMKA CRY in other tribal language.

PRAISE AND PRAYER NEEDS:

1. Our Car Project is really moving forward. The manager informed me that funds are coming. I do not know yet how much or who contributed. But we hope by God's grace it is coming.

2). We pray every day for America and the coming Election. It is sad to see what is happening in the streets of America every day. And the liberal media all over the world are so bias.

3). Our Lamka now too is in deep trouble. Thousands of the Lamka people mostly students and company workers from big cities, made a mass return home are now in our home town

doing nothing, having nothing, and hoping nothing, spreading the virus...Please pray for our hometown Lamka.

Our text of the month: Psalm 125: 1-2. I learned this song as a boy and I now teach to my children a few days ago and has become our family theme song! Somebody hums or sings almost every hour.

Psalm 125: 1-2: "They that trust in the LORD shall be as mount Zion which cannot be removed but abideth forever. As the mountains are round about Jerusalem, so the LORD is round about His people forever."

With deep love and gratitude!

PERU — RADIO MISSION

We continue to praise God for His faithfulness in providing the needs for so many years in the Upper Amazon River Valley of Peru. Provision for **two computers** in Peru, along with **children's teaching materials** — **Pre-tuned evangelistic radios** for Radio America in Paraguay that covers all of the Spanish speaking nations in the world, the **Canon Mini-Camera**, the **white boards** to illustrate lessons were all provided to the glory of God. Monies for some of the **repairs of the radio building and transmitter** were provided. The **internet installation** was also made available.

This has been such a God-send with all the churches in Peru STILL CLOSED. But the response to the many Zoom conferences and media ministry has been phenomenal.

Many of these messages are short in duration (4 minutes). These are redistributed throughout the region as other local stations who are short of programming are delighted to have these programs available to their listeners. Up to 80 messages a month are aired and distributed to other radio stations.

Greetings in Christ my brother John Barela, First of all, I want to give thanks to God that we

are where we are thanks to Him.

We continue here in Peru with the same Spirit to serve him not only to people in person, but also by the media outreach we have now. How great it is to serve at this time of crisis by radio, TV, WhatsApp and Cellphones, to the governmental agencies and all that God brings to us.

We continue to make full proof of our ministry. We visit the people in their homes that we are allowed to visit. They still do not permit the churches to conduct their regular services. We are still able to distribute gospel tracts where we can. One of our major outreaches is to distribute our CDs and DVDs to families, and restaurants wherever God opens doors.

We are always invited to pray with families and the municipalities are often calling for us to have prayer in the government meetings. All of this even when we are still not allowed to have regular church services.

Thank you for the rice. We have many ideas of how to distribute help to the most needy areas in the Amazon River Valley, **but the main goal is to share the love GOD has for them.**

We always thank God for sending you to help us here in Peru many years ago and your faithfulness in not abandoning us as others have.

Thank you brother John, we pray for you and all of your faithful partners that have blessed us in so many ways.

Pastor Wildoro Mendoza.

NAGALAND, NE INDIA — Rose of Sharon Christian Schools and Home. Last month, your donations helped provide food for the poverty stricken area of Nagaland, India. We recently received this letter from the Director Rejoice:

Dear Pastor John,

Greetings from “Rose of Sharon India” in the

precious name of our Lord and Savior Jesus Christ. After I came back from Calcutta. Ruth, Jenny and myself were sick one after another. Both of them are doing fine now, I am not completely cure but doing much better now.

Thank you for the kindnesses you showed by providing us with money to purchase rice for people. We praise God for His kindness to us and that families and students we have. We were able to buy very much rice and other foods to give to the people here. I have distributed the rice day before yesterday and continue many days. I was preparing only for 180 family with

Rejoice and Jenny Kamei with bags of rice for distribution to local villagers

tokens but I was not able to send back those poor families whom I was not able to reach but came to the school hearing the news. We had to order more bags of rice and distribute to them too. All together 235 families have received the relief — 20 kg each. I am sorry to find out that many more families would want to be help which I can't this time. I also wanted to thank you, Pastor John who made this great humanitarian work in such a time like this possible.

Many have asked me to convey their thanks and gratitude for the love and care you have shown to them in such a time like this. I was able to do that sooner because a shop owner was so happy to hear that you are sending money to help the poor. He told me I can take how many bags I required for the relief and pay him when ever I received the money. Pastor John, I am also bless by the wonderful work you have done for the people here through me. May God continue to bless you and your family also your ministry.

Thank you for your support. Lots of love from our family. God bless you and your family.

RUSSIA:

Reclaiming Lives -- Restoring Hope -- Sharing the Good News!

We thank God for His ongoing work among the Russian people. We could not do this work without our Director of Russian Missions, Alexey. He is doing a fantastic job ministering to those around him.

But Alexey has a BIG NEED — a new vehicle. A couple of years ago, we bought a small sedan for Alexey but the terrible Russian roads have taken a heavy toll on that car and he badly needs another vehicle. A good vehicle is **vital** for Alexey to travel to rural villages to help people. We would like to help Alexey purchase a used Honda or Toyota CRV for ministry work. A good used vehicle costs about \$10,000 and \$2,500 has already been donated for it. Your donation will help Alexey continue spreading the love of Jesus in Russia.

KATERINA’S FAMILY

This family of six, Katerina and her 5 kids, came to our attention in early October. Katerina grew up in an orphanage and has no relatives who can help her family. The father of the children is an alcoholic and abandoned the family when Katerina gave birth to a set of twins.

The government usually provides former orphans with housing for life. But Katerina has gone from one government agency to another with no success. There is a great deal of corruption in government agencies and some officials use these places for their own personal profit. So Katerina has had to find housing on her own. Katerina works, but her salary only pays their monthly rent. Their housing is in very poor condition.

Katerina is looking for any help: bedding, school supplies, clothing for the children. She did not ask for them but with no beds surely, they could use some bunkbeds. The bunk beds we purchased for Marina's boys cost just over \$300 with mattresses and bedding. They have no furniture and need basic household goods, plates, glasses, cups and cookware. When he

met them, Alexey was able to provide a couple of bags of groceries and share a Bible lesson with them.

GALINA’S FAMILY

Several months ago, Alexey told us about a medical student, Galina, her mother, sister and two brothers. They are living in a condemned old house with a leaking roof and barely getting by. Last winter, we provided them with warm clothes, shoes and food which they very much needed and appreciated. This past summer, Alexey helped them by fixing two large dangerous holes in their wood burning cook stove.

Recently, Alexey helped Galina find some evening work after attending classes at the medical school. This job is a definite God-send as it helps Galina provide for her family. She is extremely grateful for her job. The entire family has changed immensely since the Lord first brought us to them. When we first met them, they always had sad faces and never smiled. Now their faces are filled with joy and gratitude. The mother has even given our director, Alexey a new name. They call him *Solneshko*, which in Russian means Sunshine. They were overjoyed when along with the regular monthly groceries, Alexey brought them a watermelon. The melon was a real luxury for them.

Galina and her mom show off the wonderful watermelon that Alexey brought them along with the regular monthly groceries.

This picture, taken from inside Galina's house, shows the hole in the roof.

The arrow below is pointing at the metal strip on the ridgeline which repaired the hole.

Alexey was also able to repair their leaky roof by installing a metal strip on the ridgeline. This was not an easy task. Since the wood on the roof was so old and rotten, it took them a long time to find someone small and light enough to go up on the roof and not fall through.

MARINA’S FAMILY

Last month, another disadvantaged family came to our attention, Marina and her four children, ages 17, 14, 11 and 8.

Her husband has abandoned them and Marina has been unable to go to work because she recently had surgery for uterine cancer. Her apartment is in very bad condition and had a bed bug problem.

This month, we paid for a pest control company to kill bed bugs in the apartment, purchased bunk beds, Bibles, some groceries and put some new wallpaper up on the dreary walls. Now they have new wallpaper in the kitchen and the main room. Alexey also gave the family a Bible study when he gave them the Bibles. You can see the gratitude on their faces for all that they received. They are overjoyed thanks to the generosity of God's people like you.

Thank YOU!

It's because of YOU and your compassion and generosity that *Today, the Bible and You* is able to make such an impact in their lives. We appreciate EVERY donation and ask you to prayerfully consider lending your support by giving money or by praying for our staff and ministry. God bless!

Bibles Needed for Uganda

We thank God for using us to establish a beautiful school facility in rural Uganda, Africa. The school which opened in February has been shut down since about June because of the COVID19 virus.

Since the entire country is in lockdown it has caused the stress and poverty to exacerbate. A curfew is in place from 7pm to 6:30 am, and those caught away from home face arrest or being beaten on the spot by the police. The reality is many breadwinners have lost their jobs and social distancing is stopping them working at their trades. Families are hungry.

We have been able to send funds through the generosity of God's people to help purchase food for the teachers and others in the community who have been out of work for some time. The people have been extremely grateful.

Dear Pastor John,
God bless you. God is shaken the big man to be small. The Lockdown is changing many things in Uganda, especially in body of Christ. We praise God for you and all the Christian friends in America who help the people in Uganda so much. Still the lockdown is active in Uganda with people suffering so much with no jobs and many with no food. So in this lockdown they don't work. There no jobs. Situation is very hard to them.

Now about the SPONSOR a child program is going on in Mamba village, we are walking house to house, we do this work I and three teachers.

Now we are received 357 children to start school when government lets us in Mamba community. Children they more in community, we will end this work on Sunday. God bless you. Yours,

Brother Fred from Uganda

BIBLES DESPERATELY NEEDED

The Bible — the most fundamental tool in Christianity is a rarity in Uganda. A pastor told us that Bibles are desperately needed by the people of Uganda. While there are some exceptions, the typical Pastor

in these churches has no formal theological training and very little church experience. When I first met them, very few pastors owned a complete Bible and most did not have any at all. The Bibles I did see while I was there were held together with string or ribbon.

I was approached by groups of people who were willing to share a Bible among them if I could get a single copy for them. With over 25 nearby village churches, one can easily imagine the extent of the need. We want to be able to place Bibles with each pastor and have several Bibles for each church.

We can buy Bibles in their native language for about **\$10 each**.

Will you help?

If we each give what we can and trust God to multiply the number of people willing to do the same, we can provide the Word of God to thousands of Christians who are hungry for that Word and have no means for obtaining Bibles. The cost of a Bible — only **\$10** — is small to us, but represents a minimum of several months' wages for those people fortunate enough to have any income at all. Our church members in Gomba and Kampala will need about **200 Bibles which totals \$2,000 dollars**.

Will you join us in making an eternal difference by sharing Scriptures?

Every \$10 you share will help provide life-changing Bibles that bring people into a meaningful relationship with loving God.

NO GIFT IS TOO SMALL:
Your \$5 - \$10 - \$25 - \$50 - \$100 - \$500 gift is greatly appreciated.

Through your support today, we can reach them with the hope of the gospel. When you give by December 31, your gift will be tax-deductible for 2020. ■

WARNING

(Continued from page 9)

This is al Jazeera that we're talking about! From the Middle East! And they are saying that this "double pandemic," not only this plague (the pandemic) but also famine, is of Biblical proportions... Well, you want to talk about Biblical proportions.

Revelation 9:20-21, *"And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, [I want to come back to it], nor*

of their fornication, nor of their thefts."

It will be during the seven-year Tribulation, when the judgment of God pours out his wrath on a Christ-rejecting world, we're told that one-fourth of the population of earth will be killed. One-fourth! Then here, John says of those that were not killed by these plagues, some would still not repent of their "sorceries." Now, this is an intriguing word.

The word "sorceries" is translated from the Greek word "pharmakeia," from where we get our English word for "pharmacy/pharmaceuticals." God's Word explains much of what is taking place in our midst.

Revelation 18:23, *"And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy mer-*

chants [speaking of Babylon] were the great men of the earth; for by thy sorceries [there this word is again, "pharmakeia"] were all nations deceived."

In other words, something to do with pharmaceutical sorcery is to play a huge part in latter days deception, and by this all the nations were deceived. It was interesting that Kamala Harris said that if elected, she was going to exonerate all who have been convicted of drug use and legalize marijuana nationwide. Something is coming by way of a pharmaceutical "Pharmacia," that will be very deceptive.

According to Revelation 16:2, *"And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and*

PERU:

In 2007, the Voice of the Rose of Sharon radio station began broadcasting gospel of the Lord Jesus to an area that was famine-stricken for the Word of God. Today, that single radio station has expanded to include TV programming on several channels and has produced over 200 congregations in different parts of Peru and various other ministries to children and adults but there is still a great need for Bibles and study materials. The Lord also opened many important doors with municipal leaders to our director in Peru, Wildoro Mendoza. The provincial governor asked Wildoro to be his spiritual counselor and they have organized days of prayer and fasting in local communities. *Would you consider supporting this important work?*

INDIA—Dongza Thawng:

In Shillong, India, Dongza has opened the Door of Hope ministry where the Lord is working mightily in his community. His ministry is growing so fast that he is currently looking to buy a new property so that they can expand their mission. Dongza holds Bible studies with college students and families, youth camps, vacation Bible school and crusades, and has also begun Christian couples retreats to heal marriages and a follow-up program for the new believers who committed their lives for Christ during salvation camp (many of whom are recovering alcoholics). He travels to nearby villages and reaches out to anyone the Lord sends his way with food and the gospel of Jesus Christ and has seen the hand of the Lord moving in a mighty way. Dongza and a missionary friend, Junus Khan, (pictured) also witness to Muslims and Hindus in the area. They have had several converts and are helping them to build homes and a new life on some land which was donated by a local doctor. They are helping them grow in their faith while hiding them from persecution. *Please pray about supporting this mission.*

PHILIPPINES — SMO (Student Missionary Outreach):

SMO's vision is to "Reach the Filipino Youth for Christ with the Gospel of Jesus Christ". In the past, the Bible was not allowed to be taught in most schools. However, in recent years the Lord has opened doors through the SMO-Moral Values Program. With this program, SMO is now welcome to conduct the Moral Values Seminar in schools throughout the 7,000 Philippine islands. The program teaches the dangers of smoking, drug-addiction, alcoholism, pre-marital sex, and much more — and even school officials and teachers have participated with the students. Many teachers have testified of God's power in moving, convicting, delivering, and changing the lives of many young people. SMO has also established a Bible training school to train future youth workers to reach the youth of the Philippines.

INDIA—Rose of Sharon Christian Schools and Home — Rejoice Kamei

This is one of the top-ranked schools in NE India with an attendance of over 950 children. Many of the children are orphaned, or are too poor to even pay for the basic books and uniforms. The students come from various religious backgrounds such as Muslim, Hindu, Christian and Animist (spirit worshippers). They are all taught in the English language and have Bible classes, attending chapel services as well. The school also conducts an annual Bible camp for the students and needs Bibles, study materials, and food for the camp. Afterward, a program for the parents and families of the students which includes a plan of salvation is presented. They also reach out with the Gospel and hold church services for the local villagers. Attendance is growing every year and so is the need for more uniforms, textbooks, classrooms, housing, bunk beds and benches for the students. Right now, there are about 70 students per classroom and there are not enough seats for everyone. A basic building (15 classrooms) will cost approximately \$150,000. *Will you help?*

BURMA — New Life Orphan Center AND Grace Children's Home

New Life Orphan Center founded by Pastor Khup Lam Thang (aka Thangno) and Grace Children's Home run by Zam Kap are two orphanages we support in Burma. All the children receive Bible training and basic education from kindergarten to university. They are taught Bible stories and Christian songs that will build their relationship with God. Several of the orphans have recently graduated from university. With their degrees, they could find good jobs, yet, they chose to serve the Lord by remaining in the orphanage to teach other orphans. Indeed, this is a testimony of how they want to repay the debt they owe to God.

THE GREAT RESET

(Continued from page 6)

2. Tell people to submit for their own well-being: The combination of fear and the great deception of our time has made vast numbers of people willing to submit to the government, which they now regard as the protector of their health. As a result, they have willingly given up many of their rights and freedoms for the sake of remaining healthy, a trend sure to continue.

The New World Order (AKA the beast) cannot exercise its dominion over people apart from their willingness to submit to the dictates of a government they trust for their well-being and health. Very few pastors stand up against the restriction regarding the freedom of religion imposed on them by socialist governors. I thank the Lord for the courage of John MacArthur in this regard.

3. Lawlessness and violence: Billionaire globalists fount the violence and lawlessness we witness throughout the United States. The result of this will be the exact opposite of what rioters believe they will accomplish with the fires, vicious attacks on the innocent, and the killing of law enforcement officials.

Those behind the Great Reset intend to use the breakdown of law and order to bring about a much more rigid "police state" where those enforcing the rules of the state will pledge loyalty to a tyrannical world government rather than to one's city or state or country.

The protests against police cruelty will result in a totalitarian rule where everyone, regardless of

race, nationality, or gender will shake in fear at the sight of those enforcing the draconian rules of an all-powerful socialistic government.

4. Establish a need for government control: In order for the elite to achieve their ultimate goal of a one-world government, they must convince people of the need for more government control of their lives. This explains their devotion to the contrived climate emergency and why they will not let go of the increased control that they have achieved through the Covid-19 crisis.

President Donald Trump and the United States represent their greatest obstacles in achieving their objective, which is why we see the rioting and the nonstop media lies about our President. In 2016, Trump interrupted their march to world dominance, and they cannot allow for another delay in their effort to convince the world of its need for more government control.

Powerful forces in our world, led by the devil himself, seek to put in place a one-world government and they will use everything they can to make it happen. They will not let go of the COVID-19 health "crisis" until they have accomplished their goal to subject the entire world to the slavery of a Marxist regime.

THE GOOD NEWS

Tucker Carlson was spot-on with his assessment of climate change and COVID-19, "both are pretexts for mass social control." The wearing of masks, the bowing of knees to the Black Lives Matter movement, and the vaccines consist of preconditioning people to both receive the mark of the beast during the tribulation and worship the antichrist (Rev. 13:16-18). This is the end

game of what Satan seeks to accomplish through the Great Reset.

The prophet Daniel, writing 2,600 years ago, wrote about the Great Reset of the WEF. He called it a "beast" with "horns" (Dan. 7:23-25). The apostle John, in Revelation 13, added more details to this beast whom the antichrist will someday personify. He is the "*man of lawlessness whom the Lord will destroy at His second coming*" (2 Thess. 2:3-8). Since God long ago foretold the rise of this beast with the detail that we now see taking shape in our world, we can absolutely trust His Word as to the coming destruction of this beast, both the government and the antichrist who will personify the beast (Dan. 2:44-45; 7:26-27; Rev. 19:17-20:3). Jesus will destroy both at His second coming.

For those of us who belong to Christ, the good news of the Gospel is that Jesus will come for us before the start of the tribulation and the culmination of the Satanic plans of the globalists.

We do not watch in fear for the Great Reset; but we eagerly await the appearance of our great Savior who takes us back to the place He has prepared for us (John 14:1-3). We await our speedy departure from this world to heaven.

Yes, the news about our world today is more than a little disconcerting, but our hope is more glorious than we can imagine. Jesus is coming to take us home; we need not buy into the fear of our time. The lawlessness and violence of our day tell us that the prophesied tribulation is ever so near. But before that can happen, we will reside in paradise with Jesus. ■

Q&A

(Continued from page 5)

but not in this sense. "

Second, God creates "out of nothing." A grammatical possibility has given rise to at least one translation of the opening verses suggesting that when God began His work of creation, matter already existed. It is written in Genesis 1:1-2, "*In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.*"

The point of this is to emphasize that God created out of nothing (ex nihilo). Near Eastern creation stories from Egypt and Mesopotamia assume that their gods worked with material that already existed. However, biblical testimony here and elsewhere insists that at the point of the

beginning there was nothing apart from God. Hebrews 11:3, "*Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.*"; Revelation 4:11, "*Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created.*" and what exists apart from God was brought into being by Him.

Third, and this is particularly interesting, that which He initially creates is not its final form. He creates in order to employ further artistry and design. Beginners in Hebrew at seminaries can often be heard repeating a phrase from Genesis 1:2: "*The earth was without form and void.*" What God initially brought into being was "tōhu vabōhu," "formless and empty mass." Initially, the created universe had no distinctive shape; its structure would be formed by the artistry and design of God. In this sense, we are like God. We, too, fashion and mold and make things that

are often beautiful. It is, in part, what Genesis 1:26-27 means by saying that Adam was created "*in the image of God.*" Man, too, creates, or better, re-creates, shapes his environment in such a way as to reflect something pleasing and good. Once man fell, this capacity became as much a liability as a blessing: his capacity to fashion became a means to idolatry.

Does the Creator God have many attributes that the gods of the Empires do not?

When asked, "*What is the difference between the Christian God, and the gods of the other religions?*" Pastor R.C. Sproul answered, "*The main difference is this: 'The God of Christianity exists.'*"

Indeed, Christianity is unique among the world's belief systems. Nothing illustrates this fact more clearly than the truth that Jesus Christ had the power to raise the dead, and He Himself came back to life after He died and was seen by over 500 eyewitnesses (1 Cor. 15:6). Jesus beat death — and that is unique! ■

EDITORIAL

(Continued from page 1)

coffee industry allows the consumer to rid their bodies of harmful contaminants by simply drinking a cup of coffee, mocha, tea or hot chocolate containing Ganoderma Lucidum every day. This new anti-aging coffee with more than 110 antioxidants could be the fountain of youth that we’ve all been waiting for.

Scientists now believe the pollutants in the air, water and land play a huge role in the aging process and is the core problem for many life threatening illnesses. Recent studies of pollution in people by the Environmental working group (EWG) are troubling. In 2003, the EWG tested the blood and urine of nine volunteers for 211 possible contaminants and discovered 167 pollutants, including an average an average of 56 carcinogens in each person. Of the 167 chemicals found, 76 cause cancer in humans or animals, 94 are toxic to the brain and nervous system, and 79 cause birth defects or abnormal development. The dangers of exposure to these chemicals in combination has never been studied.

Scientists researched the special healing effects of Ganoderma herb on the circulatory, nervous and immune systems as well as its anti-cancer effects. Studies show it can significantly:

- detoxify your body
- improve your blood circulation
- calm your nerves
- enhance your immune system
- improve cancer healing chances

Your body operates on these major systems. If not properly regulated, you may fall ill. Ganoderma helps to regulate your various body systems, maintain stability and ensure a balance between internal and external body conditions.

Besides this, Ganoderma also has other important functions in your body...

Detoxifies and energizes your body

Ganoderma can also eliminate toxins accumulated in your body through intake of various western medication, antibiotic, pain killer and anti-inflammatory medicines. It thus achieves a strong detoxification effect to maintain your body balance.

And in this fast-paced modern world, people are subjected to extensive pressure resulting in tension, insomnia, giddiness, fatigue and loss of appetite.

The organic Germanium in Ganoderma helps to

enhance your blood stream ability to take in oxygen by more than 1.5 times. It also increases your metabolism rate and slows down aging.

According to research by Japanese doctors, the concentration of organic Germanium in Ganoderma is about 800 to 2000 ppm (parts per million), which is 4 to 6 times much higher than Ginseng.

Slows down your aging

In addition, Ganoderma Lucidum also contains Polysaccharides which help to strengthen your immune system. Hence the stabilizing effects of Ganoderma can strengthen your health, improve your vitality and improve your immune system.

With this, Ganoderma Lucidum obviously helps to slow down your aging process.

Welcome to the world’s healthier anti-aging coffee containing a water soluble extract from Ganoderma lucidum. This extract has 200 active elements that penetrate each cell and take the toxins out of the cell for direct elimination from the body resulting in a healthier cell. Ganoderma Lucidum works in the body for those millions of people who want and need to improve their health. With its detoxification and cleansing in the body, it restores system balance and helps strengthen the body's immune system and cell integrity.

TESTIMONIES FROM GANODERMA USERS:

HELEN H. — 65 years and getting younger by the minute. Before I started taking Ganoderma Lucidum one year ago, I felt "an absolute wreck". When I eventually got out of bed each day, I felt like I had been hit by a truck I was sore all over and it took me a few minutes to stand up. I suffered from many conditions such as chronic fatigue, ME, fibromyalgia, high blood pressure, diabetes type 2, frequent bladder infections, heavy aching legs, depression, sciatica, short term memory loss, poor eyesight, agoraphobia, diverticulitis attacks, sinusitis, overweight, brain fog, and degenerated left hip. I generally felt and looked very old, sick and I was in pain. Nothing my GP gave me did any good at all and although being a trained nurse and trained naturopath myself I could not help myself either. I spent most of my time sitting, laying down or sleeping, I felt so bad that I didn't want to go on living because I didn't want to be a burden to my family. The day after I took my first pair of capsules, I woke up in the morning amazed that I could remember my dreams in vivid color, I hadn't been able to remember

dreams for years, so I knew something dramatic was happening in my brain, and since that very first day I have gradually continued to improve in health and sense of wellbeing to the point that I no longer feel sick and old, and my eyesight has improved dramatically. Over a few weeks I gradually built up my dose to 6 pair of capsules a day and stayed on that dose for 3 months, I now take 4 pair a day. Now, when I wake up in the morning I bounce out of bed, work all day and hardly ever need to rest, I laugh a lot and I feel absolutely fantastic and people keep telling me how great I look. I have started a business. I love it and I'm coping very well with it, considering I work 7 days a week and up to 16 hours a day.

Ganoderma Lucidum has truly 'turned back the clock' for me and I never want to go back to the way I felt before. I plan to take these "miracle" capsules for the rest of my life.

ANNE. — I have many health issues - chronic fatigue syndrome, ulcerative colitis, diverticulitis, severe spinal damage, chronic nerve damage to my spine in several areas just to name a few of my complaints. My CFS and Fibromyalgia have totally dictated my life for past 4 years. I took my first pair of Ganoderma on a Tuesday and Wednesday morning was the first time I'd gotten out of bed at 8am in years unless I'd been awake all night with pain or fatigue. My life has turned around and now I am starting to be able to have a life which has been impossible since CFS got me. My bowel problems are greatly improved as well. Ganoderma has given me back my life and now I can undertake some chores around the house which makes me feel a whole lot better due to being able to reduce some of the stress on my daughter as she has had to take care of me. It has made me feel that I now have my life back - not 100% but 75% and to me that's a wonderful feeling. Ganoderma is one of the best things to ever come our way. Do yourselves a favor and try it - you have nothing to lose but wellbeing to gain. ■

DEMISE

(Continued from page 7)

“The [Russian Revolution] impressed me...there was a life full of hope, confidence, almost hyperactive...[The Russian government] is one as interested in giving [the people] access to sources of happiness as the only other government [the Tsar] with which they have any acquaintance was to keep them in misery...I can speak glowingly of Russia with any degree of confidence only as the animating purpose and life of that country are reflected in its educational leaders and the work they are attempting.”

Like any good socialist, John Dewey saw the purpose of education, not as a means to transmit the deposit of truths accumulated by previous generations, nor the perfection of one’s individual qualities, but merely as a tool to socialize society. He said he wanted to turn every teacher in America into a progressive evangelist.

*“The moral responsibility of the school and of those who conduct it is to society. [So that] apart from participation in social life, the school has **no moral end or aim.** [In religious terminology] the moral trinity of the school [is] the demand for social intelligence, social power, and social interests.”*

According to Dewey, the idea of God and religion in the life of man is an absurdity that inhibits the

development of society and the individual. As a naturalist and humanist, he flatly rejected the existence of the supernatural. He called Christian belief in divine grace, and its role in supporting man’s weakness, the “suicide of reason.”

Dewey believed that God, religion, moral absolutes, and the supernatural are the greatest enemies of education and society:

“A democratic society repudiates the principle of external authority [and] must find a substitute in voluntary disposition and interest; these can be created only by education.”

"Men have never fully used the powers they possess to advance the good in life, because they have waited upon some power external to themselves and to nature to do the work they are responsible for doing. Dependence upon an external power is the counterpart of surrender of human endeavor."

Why did John Dewey and others like him think this way? *Because they are bereft of the life of God.* When I was living in Southern California, I worked with a German intellectual. He would always see me reading my Bible and sharing the Gospel with people. He said to me, "John, you seem to really love the Bible. I have read the entire Bible a few times. But it doesn't do for me what it seems to do for you. I find the Bible to be ... uh, uh..." He was searching for a word to describe his thoughts. I then said to him, "FOOLISHNESS!" He replied, "Yes! Exactly! Foolishness." Then I turned to a passage of

Scripture and asked him to read it. 1 Corinthians 2:14-16, "***But the natural man receives not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.***" He was speechless.

When you remove the Bible as your standard, what becomes truth?

Our country is falling apart as a result of our nation becoming too secular. Because we are taking God out of everything, many people in our country lack biblical and moral principles to guide them in their decision-making.

Our nation was founded on Christian values of what’s right and what’s wrong, founded on the Ten Commandments. But if you remove the basis of Scripture, it’s everything. It’s our world view. And it has cataclysmic results

Now you know why we are in the mess that we are in. And yes, God knows all about this mess and He is still in complete control.

But what can believers do in these last days? God wants us to “occupy” til He comes. *What does that mean?* It doesn’t mean we’re free to do whatever we want while we wait for the rapture. It means that as faithful servants, **we are to be occupied in the work He’s given us until He returns, and to have something to show for it when He returns.**

upon them which worshipped his image.” Does this describe something very “poisonous” — or a virus of some kind?

If by God’s grace you’re reading this article, and the Rapture has already occurred, you are still in your sins and missed the glorious Rapture of the believer in Christ Jesus. In the seven-year Tribulation, this mark will come associated with the worship of an image, which many believe is an A.I. image, some type of an artificial intelligence image of the Beast, the Antichrist. It will be very specific.

There is some discussion as to how this vaccine, that is currently being worked on, actually has the potential to change your DNA. We are made in God’s image, and some believe that vaccine will somehow change that. When that takes place, all that receive this mark are doomed for all eternity.

Revelation 14:9-11, *“And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his*

mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.”

The Bill and Melinda Gates Foundation was kicked out of India. Why? Because they were vaccinating young girls; and if those girls didn’t die, they were either sterilized, paralyzed or both. There are numerous lawsuits against the Bill and Melinda Gates Foundation because of their vaccines on human beings in third-world countries. All under the banner of “doing good.”

It’s been reported that very high numbers of people are paralyzed because of these vaccines. Their lives physically have been forever altered and changed, and they were severely damaged physically, medically, because of this. It makes sense that, as we’re told in Revelation 16:2, there could be such a reaction, that festering sores will break out on the people who had the mark.

Psalms 76:10, *“Surely the wrath of man shall praise thee: the remainder of wrath shalt thou restrain.”* This is one of the most profound truths in all of the Bible. It is telling us about this very moment of time we are living in. The original Hebrew word for “wrath,” carries with it the idea of heat, poison, venom and rage. God is going to take the wrath of man, the poison of man, the evil of man, the plans of man, and as only He can, He can make them to praise Him.

The good news for those who have had their sins washed in the blood of the Lamb, our Lord Jesus is coming very soon, to take us out of this evil world that is waxing worse with each day.

The only hope for the world is the Lord Jesus. He alone is the only answer. God explains to us what we must do in 1 John 1:9, ***“If we confess our sins, God is faithful and just to forgive our sins and cleanse us from all unrighteousness.”***

Romans 10:13 says, ***“ALL who call upon the name of the Lord will be saved.”***

Our time on this earth is short. Call upon Jesus and ask Him to forgive your sins today. ■

Patterns of Evidence

The Red Sea Miracle
Parts 1 & 2

Tim Mahoney investigates one of the greatest miracles of the Bible. Did a mighty sea split? What secrets will be revealed?

After leaving Egypt, the Bible describes the Israelites crossing a deep sea that was miraculously split with walls of water on their right and left. When the Egyptians and their chariot force pursued, the water came crashing back down to destroy the entire army. *Are miracles of this kind even possible?*

Skeptics contend that no evidence has ever been found for huge numbers of people crossing the wilderness or a mighty sea. Does the lack of evidence at the traditional sites mean the events didn’t happen, or might we have been looking in wrong places all along?

Join Timothy Mahoney as he retraces the steps of Moses and the Israelites, looking for answers. Hear ideas from all sides of the debate as you journey back to the lands of the Bible in search of answers to one of the Bible’s biggest mysteries; where is the lost sea of the Exodus, and what really happened there? Can a patterns approach help to solve the problem?

Trump 2024

Love him or hate him this film answers the question; *What will the world look like in 2024 after Trump?*

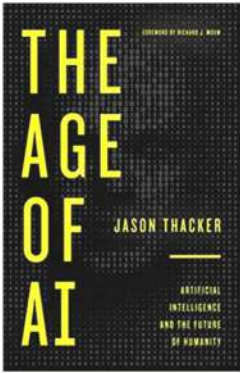

If President Trump loses his bid for re-election, what will America be like by the time 2024 rolls around? Donald J. Trump is still by far the most polarizing figure to ever hold the office. Some have called him the worst thing to happen to America — a racist, sexist, crazy, unhinged lunatic. Others have called him a man of integrity, a true patriot, appointed by God to lead the United States.

Trump 2024: The World After Trump addresses the aggressive movement seeking to bring America under control of a One-World Government. For decades there have been powers at work to establish globalism and destroy the sovereignty of the United States. This movement is dismantling America's liberties, teachings, values, and silencing our voice in religious, economic, and public places around the globe. Submitting to a controlling one-world centralized government is their ultimate goal. The battle to maintain the foundational values and independence of the United States against a global community has never been more fierce. And the threat of losing our ability to pursue life, liberty, and happiness has never been more threatened.

The Age of AI

Artificial Intelligence and the Future of Humanity

Are robots going to take my job? How are smartphones affecting my kids? Do I need to worry about privacy when I get online or ask Siri for directions? Whatever questions you have about AI, *The Age of AI* gives you insights on how to navigate this brand-new world as you apply God's ageless truths to your life and future.

Alexa, how is AI changing our world? We interact with artificial intelligence, or AI, nearly every moment of the day without knowing it. From our Twitter and Facebook social media feeds to our online carts to smart thermostats and Alexa and Google Home, AI is everywhere. In *The Age of AI*, Jason Thacker--associate research fellow at the Ethics and Religious Liberty Commission--helps us navigate our digital age in this thoughtful exploration of the social, moral, and ethical challenges of our ongoing interactions with artificial intelligence.

Applying God's Word to this new AI-empowered age, *The Age of AI* shows us how Christian truth transforms how we use AI in order to love God and our neighbor better. It serves as a guide for those wary of technology's impact on our society and also for those who are enthusiastic about where AI is taking us. Jason explains how AI affects us individually, in our relationships, and in our society at large as he addresses AI's impact on our bodies, sexuality, work, economics, and privacy. With theological depth and a wide awareness of the current trends in AI, Jason is a steady guide reminding us that while AI is changing most things, it does not change the foundations of the Christian faith.

A Tale of Two Babylons:

Trump's Prophetic Appointment With 'Destiny'

We reveal two major contributions to End Times' prophecy which Donald J. Trump is poised to fulfill. In fact, Trump is the only leader who can fulfill these prophecies in America today. President Trump does not realize it, but he has 'An Appointment With Destiny', a favorite term uttered many times by 33rd Degree Masonic President, Franklin Roosevelt, referring to the New Age/Masonic Messiah, whom the Bible calls Antichrist.

We believe that President Trump will be the leader of America who leads us into fulfillment of Revelation 18:7, where God foretells that citizens will be trapped in their own prosperity and greed.

Just before God utterly annihilates America in His mighty judgment, they are bragging about how rich they are and how the 'good times shall never end'.

Only Donald J. Trump can lead America into this unprecedented level of prosperity -- in his Second Term! We tell the entire prophetic story, coming to life now in our Daily News. 1 hour, 38 minutes
